

MINNESOTA COUNTY RETAIL TOBACCO LICENSING ORDINANCE

Minnesota counties are required to license and regulate the sale of tobacco and related devices and products in the unorganized territory of the county and within any city or town that does not license and regulate retail sales in conformance with the minimum required by [Minnesota law](#).

This ordinance is drafted in the form prescribed by [state law](#) and contains a number of provisions a county may adopt. A county wishing to enact this ordinance should review it with the county attorney to determine what is best suited for the county's circumstances. It can be modified by adding or eliminating content that concern activities it does or does not seek to regulate. Because provisions

within this ordinance are controlled by statute and rule, the county attorney should review any modifications to ensure they conform to state and federal law. And because it establishes rights and responsibilities of both the county and the license applicants and holders, the county attorney should review the entire ordinance before it is adopted.

A county must publish notice in the county's official newspaper not less than ten days before the meeting at which the ordinance is to be considered pursuant to Minn. Stat. § 375.51, subd. 2. The notice shall state the subject matter and the general purpose of the proposed ordinance. Proof of publication must be attached to the ordinance and filed in the office of the county auditor.

This ordinance may affect existing license holders. Pursuant to Minn. Stat. § 461.19, a county is required to give retailers notice that it is considering adoption or substantial amendment of a retail tobacco licensing ordinance. The county must take reasonable steps to send notice by mail at least 30 days prior to the meeting to the last known address of each licensee or person required to hold a license. The notice must state the time, place, and date of the meeting and the subject matter of the proposed ordinance. A copy of the proposed ordinance may be mailed to all license holders to inform them of its contents and provide them an opportunity to make their views known.

Adopted ordinances — or a summary thereof — must be published in the county's official newspaper and provided to the county law library or designated depository pursuant to Minn. Stat. § 375.52.

This retail tobacco licensing ordinance was prepared by the Public Health Law Center at Mitchell Hamline School of Law, St. Paul, Minnesota.

Section 1. Purpose and Intent.

Because the county recognizes that the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products to persons under the age of 18 violates both state and federal laws; and because studies, which the county hereby accepts and adopts, have shown that most smokers begin smoking before they have reached the age of 18 years and that almost no one starts smoking after age 25; and because tobacco use has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this ordinance is intended to regulate the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products for the purpose of enforcing and furthering existing laws, to protect minors and young adults against the serious effects associated with use and initiation, and to further the official public policy of the state in regard to preventing young people from starting to smoke as stated in Minn. Stat. § 144.391, as it may be amended from time to time.

In making these findings, the County Board accepts the conclusions and recommendations of: the U.S. Surgeon General reports, "E-cigarette Use Among Youth and Young Adults" (2016), "The Health Consequences of Smoking — 50 Years of Progress" (2014) and "Preventing Tobacco Use Among Youth and Young Adults" (2012); the Centers for Disease Control and Prevention in their studies, "Tobacco Use Among Middle and High School Students — United States, 2011-2015," and "Selected Cigarette Smoking Initiation and Quitting Behaviors Among High School Students, United States, 1997"; and of the following scholars in these scientific journals: Xin Xu et al., Annual Healthcare Spending Attributable to Cigarette Smoking: An Update, *Am. Section 2. Applicability and Jurisdiction.

This ordinance governs the licensing and regulation of the sale of tobacco, tobacco-related devices, electronic delivery devices, and nicotine or lobelia delivery products in the unorganized territory of [_____] County and in any city or town located in [_____] County that does not license and regulate retail sales of tobacco, tobacco-

related devices, electronic delivery devices, and nicotine or lobelia delivery products in conformance with the minimum requirements of Minn. Stat. ch. 461. Retail establishments licensed by a city or town are not required to obtain a second license for the same location under this ordinance.

If the Auditor determines that an application is incomplete, it will be returned to the applicant with notice of the information necessary to make the application complete.
- (C) **Action.** The County Board may either approve or deny the license, or it may delay action for a reasonable period of time to complete any investigation of the application or the applicant deemed necessary. If the County Board approves the license, the County Auditor will issue the license to the applicant. - (J) **Issuance as privilege and not a right.** The issuance of a license is a privilege and does not entitle the holder to an automatic renewal of the license.
- (K) **Maximum number of licenses.** The maximum number of licenses issued by the county at any time is limited to [_____]. When the maximum number of licenses has been issued, persons may be placed on a waiting list and eligible to apply on a first-come, first-serve basis as licenses are not renewed or are revoked. New applicants who purchased a business location holding a current county license are entitled to first priority.
- (L) **Minimum clerk age.** Individuals employed by a person licensed under this ordinance must be at least [18 or 21] years of age to sell licensed products.
- (M) **Proximity to youth-oriented facilities.** No license will be granted to any person for a location that is within [1,000] feet of a school, playground, house of worship, or other youth-oriented facility, as measured by the shortest line from the property line of the space to be occupied by the proposed licensee and the nearest property line of the school, playground, house of worship, or other youth-oriented facility. This restriction does not apply to an applicant who has been licensed to sell such products in that location for at least one year before the date this section was enacted into law.
- (N) **Proximity to other retailers.** No license will be granted to any person for a location that is within [2,000] feet of any other retail establishment holding a license to sell licensed products, as measured by the shortest line from the property line of the space to be occupied by the proposed licensee and the nearest property line of the existing licensee. This restriction does not apply to an applicant who has been licensed to sell such products in that location for at least one year before the date this section was enacted into law.
- (O) **Pharmacies ineligible for license.** No license will be granted to any pharmacy, including any retail establishment that operates or contains an on-site pharmacy. Any training program must be pre-approved by the county. Licensees must maintain and provide to the county documentation demonstrating compliance at the time of renewal, or whenever requested during the license term.

Section 5. Fees.

No license will be issued under this ordinance until the appropriate license fees are paid in full. The fees will be established by the county's fee schedule and may be amended from time to time.

 - (3) The applicant has had a license to sell licensed products suspended or revoked within the preceding 12 months of the date of application.
 - (4) The applicant fails to provide any information required on the application, or provides false or misleading information.
 - (5) The applicant is prohibited by federal, state, or other local law, ordinance, or other regulation from holding a license.
- (B) However, except as may otherwise be provided by law, the existence of any particular ground for denial does not mean that the county must deny the license.
- (C) If a license is mistakenly issued or renewed to a person, it will be revoked upon the discovery that the person was ineligible for the license under this ordinance. Notice of the revocation will be given to the entity along with information on the right to appeal.

Section 7. Prohibited Acts.

- (A) **In general.** No person shall sell or offer to sell any licensed product:
- (1) By means of any type of vending machine.
 - (2) By means of loosies as defined in Section 3.
 - (3) Containing opium, morphine, jimson weed, bella donna, strychnos, cocaine, marijuana, or other deleterious, hallucinogenic, toxic or controlled substances except nicotine and other substances found naturally in tobacco or added as part of an otherwise lawful manufacturing process. It is not the intention of this provision to ban the sale of lawfully manufactured cigarettes or other products subject to this ordinance.
 - (4) By any other means, to any other person, on in any other manner or form prohibited by federal, state or other local law, ordinance provision, or other regulation.
- (B) **Legal age.** No person shall sell any licensed product to any person under the age of 21.
- (1) **Age verification.** Licensees must verify by means of government-issued photographic identification that the purchaser is at least 21 years of age. Verification is not required for a person over the age of 30. That the person appeared to be 30 years of age or older does not constitute a defense to a violation of this subsection.
 - (2) **Signage.** Notice of the legal sales age and age verification requirement must be posted at each location where licensed products are offered for sale. The required signage, which will be provided to the licensee by the county, must be posted in a manner that is clearly visible to anyone who is or is considering making a purchase.
- (C) **Self-service sales.** No person shall allow the sale of licensed products by any self-service displays whereby the customer may have access to those items without having to request the item from the licensee or licensee's employee and whereby there is not a physical exchange of the licensed product between the licensee or licensee's employee and the customer. All licensed products must be stored behind the sales counter or other area not freely accessible to customers, or in a case or other storage unit not left open and accessible to the general public. Any retailer selling licensed products at the time this ordinance is adopted must comply with this section within 90 days of the effective date of this ordinance.

(D) **Flavored products.** No person shall sell or offer for sale any flavored products. This prohibition does not apply to retail establishments that:

- (1) Prohibit persons under 21 from entering at all times; and
- (2) Derive at least 90 percent of their revenues from the sale of licensed products.

Any retail establishment that sells flavored products must provide upon request financial records that document annual sales.

(E) **Cigars.** No person shall sell or offer for sale any cigar that is not within its intended retail packaging containing a minimum of [five] cigars and for a sales price, after any discounts are applied and before sales taxes are imposed, of less than [\$12.50] per package. This restriction does not prohibit the sale of a single cigar with a sales price, after any discounts are applied and before sales taxes are imposed, of at least [\$4.00].

(F) **Imitation tobacco products.** No person shall sell, offer for sale, or otherwise distribute any imitation tobacco products within the county.

(G) **Liquid packaging.** No person shall sell or offer for sale any liquid, whether or not such liquid contains nicotine, which is intended for human consumption and use in an electronic delivery device, in packaging that is not child-resistant. Upon request, a licensee must provide a copy of the certificate of compliance or full laboratory testing report for the packaging used.

Section 8. Responsibility.

All licensees are responsible for the actions of their employees in regard to the sale of licensed products on the licensed premises, and the sale of an item by an employee shall be considered a sale by the licensee. Nothing in this section shall be construed as prohibiting the county from also subjecting the employee to whatever penalties are appropriate under this ordinance, state or federal law, or other applicable law or regulation.

Section 9. Compliance Checks And Inspections.

All licensed premises must be open to inspection by law enforcement or other authorized county official during regular business hours. From time to time, but at least [twice] per year, the county will conduct compliance checks by engaging with persons over the age of 15 but less than 21 years to enter licensed premises to attempt to purchase licensed products. Prior written consent is required for any minor who participates in a compliance check. Persons

used for the purpose of compliance checks will be supervised by law enforcement or other designated personnel and will not be guilty of illegal possession or illegal procurement when those items are obtained as a part of the compliance check.

Section 10. Other Illegal Acts.

Unless otherwise provided, the following acts are a violation of this ordinance:

- (A) **Illegal possession.** It is a violation of this ordinance for any minor to have in his or her possession any licensed product.
- (B) **Illegal use.** It is a violation of this ordinance for any minor to smoke, chew, sniff or otherwise use any licensed product.
- (C) **Illegal procurement.** It is a violation of this ordinance for any minor to purchase or attempt to purchase or otherwise obtain any licensed product, and it is a violation of this ordinance for any person to purchase or otherwise obtain those items on behalf of a minor. It is also a violation for any person to coerce or attempt to coerce an underage person to illegally purchase or otherwise obtain or use any licensed product.
- (D) **Use of false identification.** It is a violation of this ordinance for any person to attempt to disguise his or her true age by the use of a false form of identification, whether the identification is that of another person or one on which the age of the person has been modified or tampered with to represent an age older than the actual age of the person.

Section 11. Exceptions And Defenses.

Nothing in this ordinance prevents the providing of tobacco or tobacco-related devices to any person as part of a lawfully recognized religious, spiritual, or cultural ceremony. It is an affirmative defense to a violation of this ordinance for a person to have reasonably relied on proof of age as described by state law.

Section 12. Violations And Penalties.

(A) Violations.

- (1) **Notice.** A person violating this ordinance may be issued, either personally or by mail, a citation that sets forth the alleged violation and that informs the alleged violator of his or her right to a hearing on the matter and how and where a hearing may be requested, including a contact address and phone number.

(2) **Hearings.**

(a) Upon issuance of a citation, a person accused of violating this ordinance may request in writing a hearing on the matter. Hearing requests must be made within 10 business days of the issuance of the citation and delivered to the County Auditor or other designated county officer. Failure to request a hearing within 10 business days of the issuance of the citation will terminate the person's right to a hearing.

(b) The County Auditor or other designated county officer will set the time and place for the hearing. Written notice of the hearing time and place will be mailed or delivered to the accused violator at least 10 business days prior to the hearing.

(3) **Hearing Officer.** The County Board will designate a hearing officer. The hearing officer will be an impartial employee of the county or an impartial person retained by the county to conduct the hearing.

(4) **Decision.** A decision will be issued by the hearing officer within 10 business days of the hearing. If the hearing officer determines that a violation of this ordinance did occur, that decision, along with the hearing officer's reasons for finding a violation and the penalty to be imposed, will be recorded in writing, a copy of which will be provided to the county and the accused violator by in-person delivery or mail as soon as practicable. Likewise, if the hearing officer finds that no violation occurred or finds grounds for not imposing any penalty, those findings will be recorded and a copy provided to the county and the acquitted accused violator by in-person delivery or mail as soon as practicable. The decision of the hearing officer is final.

(5) **Costs.** If the citation is upheld by the hearing officer, the county's actual expenses in holding the hearing up to a maximum of [\$1,000] must be paid by the person requesting the hearing.

(6) **Appeals.** Appeals of any decision made by the hearing officer must be filed in [_____] County district court within 10 business days.

(7) **Continued violation.** Each violation, and every day in which a violation occurs or continues, shall constitute a separate offense.

(B) Administrative penalties.

- (1) **Licensees.** Any licensee found to have violated this ordinance, or whose employee violated this ordinance, will be charged an administrative fine of [\$200] for a first violation; [\$500] for a second offense at the same licensed premises within a 24-month period; and [\$750] for a third or subsequent offense at the same location within a 24-month period. Upon the third violation, the license will also be suspended for not less than [30] consecutive days. Upon a fourth violation, the license will be revoked.
- (2) **Other individuals.** Other individuals, other than minors regulated by division (B) (3) of this section, found to be in violation of this ordinance will be charged an administrative fine of [\$50].
- (3) **Minors.** Minors found in unlawful possession of or who unlawfully purchase or attempt to purchase licensed products may be subject to tobacco-related education classes, diversion programs, community services, or another penalty that the county believes will be appropriate and effective. The County Board will consult with the courts, educators, parents, children, and other interested parties to determine an appropriate consequence for minors in the county. The penalty may be established by ordinance and amended from time to time.
- (4) **Statutory penalties.** If the administrative penalties authorized to be imposed by Minn. Stat. § 461.12, as it may be amended from time to time, differ from those established in this section, then the higher penalties will prevail.

(C) Misdemeanor prosecution. Nothing in this section prohibits the county from seeking prosecution as a misdemeanor for any alleged violation of this ordinance.

Section 13. Severability.

If any section or provision of this ordinance is held invalid, such invalidity will not affect other sections or provisions that can be given force and effect without the invalidated section or provision.

Section 14. Effective Date.

This ordinance becomes effective on the date of its publication, or upon the publication of a summary of the ordinance as provided by Minn. Stat. § 375.51, subd. 3, as it may be amended from time to time, which meets the requirements of Minn. Stat. § 331A.01, subd. 10, as it may be amended from time to time.
