

Farm to Child Care Year-Round

Click on text below to access links to additional information.

Summer

- ✂️ grow and pick vegetables in a garden
- 🍓 pick berries at a berry farm
- 🍏 visit roadside stands or farmers' markets
- 🌽 make corn husk dolls

Spring

- ✂️ plant seeds in cups
- 🍓 talk about and feel buds on plants
- 🍏 send newsletter to families about planting plans or seasonal foods
- 🌽 have a scavenger hunt to find household items that are the same shape and size as fruits/vegetables

Autumn

- ✂️ visit an orchard
- 🍓 make a scarecrow
- 🍏 cook applesauce
- 🌽 use cookie cutters to make shapes in pumpkins with children

Activities 365 Days

Winter

- ✂️ set up a grocery store for dramatic play
- 🍓 eat garden vegetables you froze during the summer
- 🍏 host a team tasting challenge and include parents
- 🌽 make winter squash soup

Last updated: Sept. 2014. This publication was developed by the Public Health Law Center, St. Paul, Minnesota, with assistance from Anna Ayers Looby. Financial support for the development and dissemination of this publication was provided by the Minnesota Department of Health's Statewide Health Improvement Program and the Center for Prevention at Blue Cross and Blue Shield of Minnesota.
