28-4-50 Acceptable types of water supplies for licensed child care homes.

(a) Public water supply systems approved by the state department of health shall be used wherever such supplies are available or can be made available at reasonable cost.

(b) Properly located, constructed and equipped private ground water supplies approved by the department may be used if a public supply is not available. Environmental health services bulletin 4-1, a manual of recommended standards for locating, constructing, and equipping water wells for rural homes, shall be used as a guide for approving private ground water supplies.

(c) Stored water obtained from a supply approved by the department, and transported, and stored in facilities

Kansas Administrative Regulations Currentness _Agency 28. Department of Health and Environment
_Article 4. Maternal and Child Health _General Regulations (Refs & Annos)

approved by the department may be used at homes where a public water supply or a satisfactory ground water supply is not available.

(d) Other methods of providing water for a home will be considered on an individual basis. All approval for such use shall be obtained from the chief engineer, state department of health.

(e) No water supply containing more than 45 mg/l of nitrates expressed as NO_3 shall be used at a home providing care for children under one year of age.

28-4-51 to 28-4-54 Revoked.

K.A.R. 28-4-55

28-4-55 Acceptable sewage disposal systems for child care homes.

(A) The home shall be connected to a public sewer system whenever such a system abuts the property or can be made to abut the property at a reasonable cost.

(B) Properly located, constructed and operated septic tank-soil absorption systems, approved by the department, may be used for homes located in areas where a public sewer system is not available. Environmental health services bulletin 4-2, a manual of recommended standards for locating, constructing and operating septic tank systems for rural homes, shall be used as a guide in approving these systems.

(C) The home may be connected to any properly located, constructed and maintained waste stabilization ponds approved by the department where a public sewer system is not available and where soil is not suitable for use of a septic tanksoil absorption system. Environmental health services bulletin 4-2, a manual of recommended standards for locating, constructing and operating septic tank systems for rural homes, shall be used as a guide in approving these systems.

(D) The home may use any existing system that is functioning properly and is not discharging onto the surface of the ground, into a ditch or watercourse or into an underground fresh water aquifer and is not in violation of any public health or water pollution regulation adopted by the state board of health.

(E) The home may be permitted to use other types of sewage disposal systems provided prior approval for use of such a system is obtained from the chief engineer of the state department of health.

28-4-91 Revocation of present regulations.

The following present regulations as published in the Kansas administrative regulations are being replaced, so are hereby revoked:

General regulations 28-4-1 through 28-4-7.

Health standards for children's institutions 28-4-20 through 28-4-25.

Regulations for maternity homes and clinics 28-4-56 through 28-4-71.

K.A.R. 28-4-92

28-4-92 License fees.

Kansas Administrative Regulations Currentness _Agency 28. Department of Health and Environment
_Article 4. Maternal and Child Health _General Regulations (Refs & Annos)

When an applicant or licensee submits an application for a license or for the renewal of a license, the applicant or licensee shall submit to the secretary the appropriate nonrefundable license fee specified in this regulation:

- (a) For each maternity center as defined in K.S.A. 65-502 and amendments thereto, \$75;
- (b) for each child placement agency as defined in K.S.A. 65-503 and amendments thereto, \$75;
- (c) for each child care resource and referral agency as defined in K.S.A. 65-503 and amendments thereto, \$75;
- (d) for each of the following child care facilities, \$75 plus \$1 times the maximum number of children to be authorized under the license:
 - (1) Day care home or group day care home, as defined in K.A.R. 28-4-113; and
 - (2) child care center, as defined in K.A.R. 28-4-420; and
- (e) for each of the following child care facilities with a license capacity of 13 or more children, \$35 plus \$1 for each child included in the license capacity, with the total not to exceed \$75, and for each of the following child care facilities with a license capacity of 12 or fewer children, \$15:
 - (1) Attendant care facility, as defined in K.A.R. 28-4-285;
 - (2) detention center or secure care center, as defined in K.A.R. 28-4-350;
 - (3) preschool, as defined in K.A.R. 28-4-420;
 - (4) psychiatric residential treatment facility, as defined in K.A.R. 28-4-1200;
 - (5) residential center or group boarding home, as defined in K.A.R. 28-4-268; and
 - (6) secure residential treatment facility, as defined in K.A.R. 28-4-330.

K.A.R. 28-4-93

28-4-93 Online information dissemination system.

This regulation shall apply to the department's on line information dissemination system for child care facilities, as defined in K.S.A. 65-503 and amendments thereto. (a) Definitions. The following terms shall have the meanings specified in this regulation:

Kansas Administrative Regulations Currentness _Agency 28. Department of Health and Environment
_Article 4. Maternal and Child Health _General Regulations (Refs & Annos)

(1) "Applicant" means a person who has applied for a license to operate a child care facility but who has not yet been granted the license.

(2) "Applicant with a temporary permit" means a person who has been granted a temporary permit to operate a child care facility.

(3) "Department" means Kansas department of health and environment.

(4) "Licensee" means a person who has been granted a license to operate a child care facility.

(5) "Online information dissemination system" means the electronic database of the department that is accessible to the public.

(b) Identifying information. Each applicant, each applicant with a temporary permit, and each licensee that wants the department to display the address and the telephone number of the child care facility on the online information dissemination system shall notify the department on a form provided by the department.
