M.S.A. § 245C.16

245C.16. Disqualified individual's risk of harm

Effective: May 10, 2014

Subdivision 1. Determining immediate risk of harm. (a) If the commissioner determines that the individual studied has a disqualifying characteristic, the commissioner shall review the information immediately available and make a determination as to the subject's immediate risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people receiving services.

(b) The commissioner shall consider all relevant information available, including the following factors in determining the immediate risk of harm:

(1) the recency of the disqualifying characteristic;

(2) the recency of discharge from probation for the crimes;

(3) the number of disqualifying characteristics;

(4) the intrusiveness or violence of the disqualifying characteristic;

(5) the vulnerability of the victim involved in the disqualifying characteristic;

(6) the similarity of the victim to the persons served by the program where the individual studied will have direct contact;

(7) whether the individual has a disqualification from a previous background study that has not been set aside; and

(8) if the individual has a disqualification which may not be set aside because it is a permanent bar under section 245C.24, subdivision 1, the commissioner may order the immediate removal of the individual from any position allowing direct contact with, or access to, persons receiving services from the program.

Minnesota Statutes Annotated _Public Welfare and Related Activities (Ch. 245-267) _Chapter 245C.
Human Services Background Studies

(c) This section does not apply when the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the subject is determined to be responsible for substantiated maltreatment under section 626.556 or 626.557.

(d) This section does not apply to a background study related to an initial application for a child foster care license.

(e) Except for paragraph (f), this section does not apply to a background study that is also subject to the requirements under section 256B.0659, subdivisions 11 and 13, for a personal care assistant or a qualified professional as defined in section 256B.0659, subdivision 1.

(f) If the commissioner has reason to believe, based on arrest information or an active maltreatment investigation, that an individual poses an imminent risk of harm to persons receiving services, the commissioner may order that the person be continuously supervised or immediately removed pending the conclusion of the maltreatment investigation or criminal proceedings.

Subd. 2. Findings. (a) After evaluating the information immediately available under subdivision 1, the commissioner may have reason to believe one of the following:

(1) the individual poses an imminent risk of harm to persons served by the program where the individual studied will have direct contact;

(2) the individual poses a risk of harm requiring continuous, direct supervision while providing direct contact services during the period in which the subject may request a reconsideration; or

(3) the individual does not pose an imminent risk of harm or a risk of harm requiring continuous, direct supervision while providing direct contact services during the period in which the subject may request a reconsideration.

(b) After determining an individual's risk of harm under this section, the commissioner must notify the subject of the background study and the applicant or license holder as required under section 245C.17.

Subd. 3. County agency. (a) County licensing agencies performing duties under this section may develop an alternative system for determining the subject's immediate risk of harm to persons served by the program, providing the notices under subdivision 2, paragraph (b), and documenting the action taken by the county licensing agency.

(b) Within 15 working days after the commissioner's receipt of the background study form submitted on paper, the commissioner shall notify the applicant, license holder, or other entity as provided in this chapter in writing or by electronic transmission of the results of the study or that more time is needed to complete the study.

(c) Within three days after the commissioner's receipt of a request for a background study submitted through the commissioner's online system, the commissioner shall provide an electronic notification to the applicant, license holder, or other entity as provided in this chapter. The electronic notification shall disclose the results of the study or that more time is needed to complete the study.

(d) When the commissioner has completed a prior background study on an individual that resulted in an order for immediate removal and more time is necessary to complete a subsequent study, the notice that more time is needed that is issued under paragraphs (a), (b), and (c) shall include an order for immediate removal of the individual from any position allowing direct contact with or access to people receiving services pending completion of the background study.

Subd. 2. Disqualification notice sent to subject. (a) If the information in the study indicates the individual is disqualified from direct contact with, or from access to, persons served by the program, the commissioner shall disclose to the individual studied:

(1) the information causing disqualification;

(2) instructions on how to request a reconsideration of the disqualification;

(3) an explanation of any restrictions on the commissioner's discretion to set aside the disqualification under section 245C.24, when applicable to the individual;

(4) a statement that, if the individual's disqualification is set aside under section 245C.22, the applicant, license holder, or other entity that initiated the background study will be provided with the reason for the individual's disqualification and an explanation that the factors under section 245C.22, subdivision 4, which were the basis of the decision to set aside the disqualification shall be made available to the license holder upon request without the consent of the subject of the background study;

(5) a statement indicating that if the individual's disqualification is set aside or the facility is granted a variance under section 245C.30, the individual's identity and the reason for the individual's disqualification will become public data under section 245C.22, subdivision 7, when applicable to the individual;

(6) a statement that when a subsequent background study is initiated on the individual following a set-aside of the individual's disqualification, and the commissioner makes a determination under section 245C.22, subdivision 5, paragraph (b), that the previous set-aside applies to the subsequent background study, the applicant, license holder, or other entity that initiated the background study will be informed in the notice under section 245C.22, subdivision 5, paragraph (c):

(i) of the reason for the individual's disqualification;

(ii) that the individual's disqualification is set aside for that program or agency; and

(7) the commissioner's determination of the individual's immediate risk of harm under section 245C.16.

(b) If the commissioner determines under section 245C.16 that an individual poses an imminent risk of harm to persons served by the program where the individual will have direct contact with, or access to, people receiving services, the commissioner's notice must include an explanation of the basis of this determination.

(c) If the commissioner determines under section 245C.16 that an individual studied does not pose a risk of harm that requires immediate removal, the individual shall be informed of the conditions under which the agency that initiated the background study may allow the individual to have direct contact with, or access to, people receiving

services, as provided under subdivision 3.

Subd. 3. Disqualification notification. (a) The commissioner shall notify an applicant, license holder, or other entity as provided in this chapter who is not the subject of the study:

(2) the commissioner's determination of the individual's risk of harm under section 245C.16.

(b) If the commissioner determines under section 245C.16 that an individual studied poses an imminent risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people served by the program, the commissioner shall order the license holder to immediately remove the individual studied from any position allowing direct contact with, or access to, people served by the program.

(c) If the commissioner determines under section 245C.16 that an individual studied poses a risk of harm that requires continuous, direct supervision, the commissioner shall order the applicant, license holder, or other entities as provided in this chapter to:

(ii) ensure that the disqualified individual requests reconsideration within 15 days of receipt of the notice of disqualification.

(e) The commissioner shall not notify the applicant, license holder, or other entity as provided in this chapter of the information contained in the subject's background study unless:

(2) the Data Practices Act under chapter 13 provides for release of the information; or

(3) the individual studied authorizes the release of the information.

245C.20. License holder record keeping

Effective: May 10, 2014

Subdivision 1. Background studies initiated by program. If a license holder initiates a background study under the commissioner's online system, but the background study subject's name does not appear in the list of active or recent studies initiated by that license holder, the license holder must either contact the human services licensing division or resubmit the background study information online for that individual.

Subd. 2. Background studies initiated by others. When a license holder relies on a background study initiated by a personnel pool agency, a temporary personnel agency, an educational program, or a professional services agency for a person required to have a background study completed under section 245C.03, the license holder must maintain a copy of the background study results in the license holder's files.

M.S.A. § 245C.21

245C.21. Requesting reconsideration of disqualification

Effective: July 1, 2009

Subdivision 1. Who may request reconsideration. An individual who is the subject of a disqualification may request a reconsideration of the disqualification. The individual must submit the request for reconsideration to the commissioner in writing.

Subd. 1a. Submission of reconsideration request. (a) For disqualifications related to studies conducted by county agencies for family child care, and for disqualifications related to studies conducted by the commissioner for child foster care, adult foster care, and family adult day services, the individual shall submit the request for reconsideration to the county agency that initiated the background study.

(b) For disqualifications related to studies conducted by the commissioner for child foster care providers monitored by private licensing agencies under section 245A.16, the individual shall submit the request for reconsideration to the private agency that initiated the background study.

(c) A reconsideration request shall be submitted within 30 days of the individual's receipt of the disqualification notice or the time frames specified in subdivision 2, whichever time frame is shorter.

(d) The county or private agency shall forward the individual's request for reconsideration and provide the commissioner with a recommendation whether to set aside the individual's disqualification.

Subd. 2. Time frame for requesting reconsideration. (a) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (1) or (2), the disqualified individual must submit the request for a reconsideration within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after

**Minnesota Statutes Annotated _Public Welfare and Related Activities (Ch. 245-267) _Chapter 245C.
Human Services Background Studies**

the individual's receipt of the notice of disqualification. Upon showing that the information under subdivision 3 cannot be obtained within 30 days, the disqualified individual may request additional time, not to exceed 30 days, to obtain the information.

(b) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (3), the disqualified individual must submit the request for reconsideration within 15 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 15 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 15 calendar days after the individual's receipt of the notice of disqualification.

(c) An individual who was determined to have maltreated a child under section 626.556 or a vulnerable adult under section 626.557, and who is disqualified on the basis of serious or recurring maltreatment, may request a reconsideration of both the maltreatment and the disqualification determinations. The request must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after the individual's receipt of the notice of disqualification.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, shall not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing sanction. In such cases, a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

Subd. 3. Disqualified individuals; information for reconsideration. (a) The disqualified individual requesting reconsideration must submit information showing that:

(1) the information the commissioner relied upon in determining the underlying conduct that gave rise to the disqualification is incorrect;

(2) for maltreatment, the information the commissioner relied upon in determining that maltreatment was serious or recurring is incorrect; or

(3) the subject of the study does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter, by addressing the information required under section 245C.22, subdivision 4.

(b) In order to determine the individual's risk of harm, the commissioner may require additional information from the disqualified individual as part of the reconsideration process. If the individual fails to provide the required information, the commissioner may deny the individual's request.

Subd. 4. Notice of request for reconsideration. Upon request, the commissioner may inform the applicant, license holder, or other entities as provided in this chapter who received a notice of the individual's disqualification under section 245C.17, subdivision 3, or has the consent of the disqualified individual, whether the disqualified individual has requested reconsideration.

M.S.A. § 245C.22

245C.22. Review and action on a reconsideration request

Effective: May 10, 2014

Subdivision 1. Time frame; response to disqualification reconsideration requests. (a) The commissioner shall respond in writing or by electronic transmission to all reconsideration requests for which the basis for the request is that the information the commissioner relied upon to disqualify is incorrect or inaccurate within 30 working days of receipt of a complete request and all required relevant information.

(b) If the basis for a disqualified individual's reconsideration request is that the individual does not pose a risk of harm, the commissioner shall respond to the request within 15 working days after receiving a complete request for reconsideration and all required relevant information.

(c) If the disqualified individual's reconsideration request is based on both the correctness or accuracy of the information the commissioner relied upon to disqualify the individual and the individual's risk of harm, the commissioner shall respond to the request within 45 working days after receiving a complete request for reconsideration and all required relevant information.

Subd. 2. Incorrect information; rescission. The commissioner shall rescind the disqualification if the commissioner finds that the information relied upon to disqualify the subject is incorrect.

Subd. 3. Preeminent weight given to safety of persons being served. In reviewing a request for reconsideration of a disqualification, the commissioner shall give preeminent weight to the safety of each person served by the license holder, applicant, or other entities as provided in this chapter over the interests of the disqualified individual, license holder, applicant, or other entity as provided in this chapter, and any single factor under subdivision 4, paragraph (b), may be determinative of the commissioner's decision whether to set aside the individual's disqualification.

Subd. 4. Risk of harm; set aside. (a) The commissioner may set aside the disqualification if the commissioner finds that the individual has submitted sufficient information to demonstrate that the individual does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter.

(b) In determining whether the individual has met the burden of proof by demonstrating the individual does not pose a risk of harm, the commissioner shall consider:

(1) the nature, severity, and consequences of the event or events that led to the disqualification;

(2) whether there is more than one disqualifying event;

(3) the age and vulnerability of the victim at the time of the event;

(4) the harm suffered by the victim;

(5) vulnerability of persons served by the program;

(6) the similarity between the victim and persons served by the program;

(7) the time elapsed without a repeat of the same or similar event;

(8) documentation of successful completion by the individual studied of training or rehabilitation pertinent to the event; and

Current with legislation of the 2014 Regular Session effective through June 30, 2014, except Chapter 308.

(9) any other information relevant to reconsideration.

(c) If the individual requested reconsideration on the basis that the information relied upon to disqualify the individual was incorrect or inaccurate and the commissioner determines that the information relied upon to disqualify the individual is correct, the commissioner must also determine if the individual poses a risk of harm to persons receiving services in accordance with paragraph (b).

Subd. 5. Scope of set-aside. (a) If the commissioner sets aside a disqualification under this section, the disqualified individual remains disqualified, but may hold a license and have direct contact with or access to persons receiving services. Except as provided in paragraph (b), the commissioner's set-aside of a disqualification is limited solely to the licensed program, applicant, or agency specified in the set aside notice under section 245C.23. For personal care provider organizations, the commissioner's set-aside may further be limited to a specific individual who is receiving services. For new background studies required under section 245C.04, subdivision 1, paragraph (i), if an individual's disqualification was previously set aside for the license holder's program and the new background study results in no new information that indicates the individual may pose a risk of harm to persons receiving services from the license holder, the previous set-aside shall remain in effect.

(b) If the commissioner has previously set aside an individual's disqualification for one or more programs or agencies, and the individual is the subject of a subsequent background study for a different program or agency, the commissioner shall determine whether the disqualification is set aside for the program or agency that initiated the subsequent background study. A notice of a set-aside under paragraph (c) shall be issued within 15 working days if all of the following criteria are met:

(1) the subsequent background study was initiated in connection with a program licensed or regulated under the same provisions of law and rule for at least one program for which the individual's disqualification was previously set aside by the commissioner;

(2) the individual is not disqualified for an offense specified in section 245C.15, subdivision 1 or 2;

(3) the commissioner has received no new information to indicate that the individual may pose a risk of harm to any person served by the program; and

(4) the previous set-aside was not limited to a specific person receiving services.

(c) When a disqualification is set aside under paragraph (b), the notice of background study results issued under section 245C.17, in addition to the requirements under section 245C.17, shall state that the disqualification is set aside for the program or agency that initiated the subsequent background study. The notice must inform the individual that the individual may request reconsideration of the disqualification under section 245C.21 on the basis

(2) for a disqualifying characteristic under section 245C.15, subdivision 2.

(b) Notwithstanding section 13.46, upon granting a variance to a license holder under section 245C.30, the identity of the disqualified individual who is the subject of the variance, the individual's disqualifying characteristics under section 245C.15, and the terms of the variance are public data, when the variance:

Subd. 2. Commissioner's notice of disqualification that is not set aside. (a) The commissioner shall notify the license holder of the disqualification and order the license holder to immediately remove the individual from any position allowing direct contact with persons receiving services from the license holder if:

(1) the individual studied does not submit a timely request for reconsideration under section 245C.21;

(2) the individual submits a timely request for reconsideration, but the commissioner does not set aside the disqualification for that license holder under section 245C.22, unless the individual has a right to request a hearing under section 245C.27, 245C.28, or 256.045;

(3) an individual who has a right to request a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14 for a disqualification that has not been set aside, does not request a hearing within the specified time; or

(4) an individual submitted a timely request for a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14, but the commissioner does not set aside the disqualification under section 245A.08, subdivision 5, or 256.045.

(b) If the commissioner does not set aside the disqualification under section 245C.22, and the license holder was previously ordered under section 245C.17 to immediately remove the disqualified individual from direct contact with persons receiving services or to ensure that the individual is under continuous, direct supervision when providing direct contact services, the order remains in effect pending the outcome of a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14.

(c) If the commissioner does not set aside the disqualification under section 245C.22, and the license holder was not previously ordered under section 245C.17 to immediately remove the disqualified individual from direct contact with persons receiving services or to ensure that the individual is under continuous direct supervision when providing direct contact services, the commissioner shall order the individual to remain under continuous direct supervision pending the outcome of a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14.

M.S.A. § 245C.24

245C.24. Disqualification; bar to set aside a disqualification; request for variance

Effective: August 1, 2010

Subdivision 1. Minimum disqualification periods. The disqualification periods under subdivisions 3 and 4 are the minimum applicable disqualification periods. The commissioner may determine that an individual should continue to be disqualified from licensure because the individual continues to pose a risk of harm to persons served by that individual, even after the minimum disqualification period has passed.

Subd. 2. Permanent bar to set aside a disqualification. (a) Except as provided in paragraph (b), the commissioner may not set aside the disqualification of any individual disqualified pursuant to this chapter, regardless of how much time has passed, if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision 1.

(b) For an individual in the chemical dependency or corrections field who was disqualified for a crime or conduct listed under section 245C.15, subdivision 1, and whose disqualification was set aside prior to July 1, 2005, the commissioner must consider granting a variance pursuant to section 245C.30 for the license holder for a program dealing primarily with adults. A request for reconsideration evaluated under this paragraph must include a letter of recommendation from the license holder that was subject to the prior set-aside decision addressing the individual's quality of care to children or vulnerable adults and the circumstances of the individual's departure from that service.

(c) When a licensed foster care provider adopts an individual who had received foster care services from the provider for over six months, and the adopted individual is required to receive a background study under section 245C.03, subdivision 1, paragraph (a), clause (2) or (6), the commissioner may grant a variance to the license holder under section 245C.30 to permit the adopted individual with a permanent disqualification to remain affiliated with the license holder under the conditions of the variance when the variance is recommended by the county of responsibility for each of the remaining individuals in placement in the home and the licensing agency for the home.

Subd. 3. Ten-year bar to set aside disqualification. (a) The commissioner may not set aside the disqualification of an individual in connection with a license to provide family child care for children, foster care for children in the provider's home, or foster care or day care services for adults in the provider's home if: (1) less than ten years has passed since the discharge of the sentence imposed, if any, for the offense; or (2) when disqualified based on a preponderance of evidence determination under section 245C.14, subdivision 1, paragraph (a), clause (2), or an admission under section 245C.14, subdivision 1, paragraph (a), clause (1), and less than ten years has passed since the individual committed the act or admitted to committing the act, whichever is later; and (3) the individual has committed a violation of any of the following offenses: sections 609.165 (felon ineligible to possess firearm); criminal vehicular homicide or criminal vehicular operation causing death under 609.21 (criminal vehicular homicide and injury); 609.215 (aiding suicide or aiding attempted suicide); felony violations under 609.223 or 609.2231 (assault in the third or fourth degree); 609.229 (crimes committed for benefit of a gang); 609.713 (terroristic threats); 609.235 (use of drugs to injure or to facilitate crime); 609.24 (simple robbery); 609.255 (false

(b) The commissioner may not set aside the disqualification of an individual if less than ten years have passed since the individual's aiding and abetting, attempt, or conspiracy to commit any of the offenses listed in paragraph (a) as each of these offenses is defined in Minnesota Statutes.

(c) The commissioner may not set aside the disqualification of an individual if less than ten years have passed since the discharge of the sentence imposed for an offense in any other state or country, the elements of which are substantially similar to the elements of any of the offenses listed in paragraph (a).

Subd. 4. Seven-year bar to set aside disqualification. The commissioner may not set aside the disqualification of an individual in connection with a license to provide family child care for children, foster care for children in the provider's home, or foster care or day care services for adults in the provider's home if within seven years preceding the study:

(1) the individual committed an act that constitutes maltreatment of a child under section 626.556, subdivision 10e, and the maltreatment resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence; or

(2) the individual was determined under section 626.557 to be the perpetrator of a substantiated incident of maltreatment of a vulnerable adult that resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence.

245C.25. Consolidated reconsideration of maltreatment determination and disqualification

Effective: August 1, 2009

**Minnesota Statutes Annotated _Public Welfare and Related Activities (Ch. 245-267) _Chapter 245C.
Human Services Background Studies**

(a) If an individual is disqualified on the basis of a determination of maltreatment under section 626.556 or 626.557, which was serious or recurring, and the individual requests reconsideration of the maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and also requests reconsideration of the disqualification under section 245C.21, the commissioner shall consolidate the reconsideration of the maltreatment determination and the disqualification into a single reconsideration.

(b) For maltreatment and disqualification determinations made by county agencies, the county agency shall conduct the consolidated reconsideration. If the county agency has disqualified an individual on multiple bases, one of which is a county maltreatment determination for which the individual has a right to request reconsideration, the county shall conduct the reconsideration of all disqualifications.

(c) If the county has previously conducted a consolidated reconsideration under paragraph (b) of a maltreatment determination and a disqualification based on serious or recurring maltreatment, and the county subsequently disqualifies the individual based on that determination, the county shall conduct the reconsideration of the subsequent disqualification. The scope of the subsequent disqualification shall be limited to whether the individual poses a risk of harm in accordance with section 245C.22, subdivision 4. If the commissioner subsequently disqualifies the individual in connection with a child foster care license based on the county's previous maltreatment determination, the commissioner shall conduct the reconsideration of the subsequent disqualification.

M.S.A. § 245C.26

245C.26. Reconsideration of a disqualification for an individual living in a licensed home

In the case of any ground for disqualification under this chapter, if the act was committed by an individual other than the applicant or license holder residing in the applicant's or license holder's home, the applicant or license holder may seek reconsideration when the individual who committed the act no longer resides in the home.

M.S.A. § 245C.27

245C.27. Fair hearing rights

Effective: May 14, 2010

Subdivision 1. Fair hearing following a reconsideration decision. (a) An individual who is disqualified on the basis of a preponderance of evidence that the individual committed an act or acts that meet the definition of any of the crimes listed in section 245C.15; for a determination under section 626.556 or 626.557 of substantiated maltreatment that was serious or recurring under section 245C.15; or for failure to make required reports under section 626.556, subdivision 3; or 626.557, subdivision 3, pursuant to section 245C.15, subdivision 4, paragraph (b), clause (1), may request a fair hearing under section 256.045, following a reconsideration decision issued under section 245C.23, unless the disqualification is deemed conclusive under section 245C.29.

(b) The fair hearing is the only administrative appeal of the final agency determination for purposes of appeal by the disqualified individual. The disqualified individual does not have the right to challenge the accuracy and

completeness of data under section 13.04.

(c) Except as provided under paragraph (e), if the individual was disqualified based on a conviction of, admission to, or Alford Plea to any crimes listed in section 245C.15, subdivisions 1 to 4, or for a disqualification under section 256.98, subdivision 8, the reconsideration decision under section 245C.22 is the final agency determination for purposes of appeal by the disqualified individual and is not subject to a hearing under section 256.045. If the individual was disqualified based on a judicial determination, that determination is treated the same as a conviction for purposes of appeal.

(d) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

(e) Notwithstanding paragraph (c), if the commissioner does not set aside a disqualification of an individual who was disqualified based on both a preponderance of evidence and a conviction or admission, the individual may request a fair hearing under section 256.045, unless the disqualifications are deemed conclusive under section 245C.29. The scope of the hearing conducted under section 256.045 with regard to the disqualification based on a conviction or admission shall be limited solely to whether the individual poses a risk of harm, according to section 256.045, subdivision 3b. In this case, the reconsideration decision under section 245C.22 is not the final agency decision for purposes of appeal by the disqualified individual.

Subd. 2. Consolidated fair hearing following a reconsideration decision. (a) If an individual who is disqualified on the bases of serious or recurring maltreatment requests a fair hearing on the maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and requests a fair hearing under this section on the disqualification following a reconsideration decision under section 245C.23, the scope of the fair hearing under section 256.045 shall include the maltreatment determination and the disqualification.

(b) A fair hearing is the only administrative appeal of the final agency determination. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

M.S.A. § 245C.28

245C.28. Contested case hearing rights

Effective: May 10, 2014

Subdivision 1. License holder. (a) If a maltreatment determination or a disqualification for which reconsideration was timely requested and which was not set aside is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The license holder must submit the appeal under section 245A.05 or 245A.07, subdivision 3.

**Minnesota Statutes Annotated _Public Welfare and Related Activities (Ch. 245-267) _Chapter 245C.
Human Services Background Studies**

(b) As provided under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a disqualification for which reconsideration was timely requested and was not set aside, the scope of the consolidated contested case hearing must include:

(1) the disqualification, to the extent the license holder otherwise has a hearing right on the disqualification under this chapter; and

(2) the licensing sanction or denial of a license.

(c) As provided for under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a determination of maltreatment under section 626.556 or 626.557, or a disqualification for serious or recurring maltreatment which was not set aside, the scope of the contested case hearing must include:

(1) the maltreatment determination, if the maltreatment is not conclusive under section 245C.29;

(2) the disqualification, if the disqualification is not conclusive under section 245C.29; and

(3) the licensing sanction or denial of a license. In such cases, a fair hearing must not be conducted under section 256.045. If the disqualification was based on a determination of substantiated serious or recurring maltreatment under section 626.556 or 626.557, the appeal must be submitted under sections 245A.07, subdivision 3, and 626.556, subdivision 10i, or 626.557, subdivision 9d.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, must not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing

sanction. In such cases a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

Subd. 2. Individual other than license holder. If the basis for the commissioner's denial of a license under section 245A.05 or a licensing sanction under section 245A.07 is a maltreatment determination or disqualification that was not set aside under section 245C.22, and the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under section 245C.03, the hearing of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

Subd. 3. Employees of public employer. (a) A disqualified individual who is an employee of an employer, as defined in section 179A.03, subdivision 15, may request a contested case hearing under chapter 14, and specifically Minnesota Rules, parts 1400.8505 to 1400.8612, following a reconsideration decision under section 245C.23, unless the disqualification is deemed conclusive under section 245C.29. The request for a contested case hearing must be made in writing and must be postmarked and sent within 30 calendar days after the employee receives notice of the reconsideration decision. If the individual was disqualified based on a conviction or admission to any crimes listed in section 245C.15, the scope of the contested case hearing shall be limited solely to whether the individual poses a risk of harm pursuant to section 245C.22.

(b) When an individual is disqualified based on a maltreatment determination, the scope of the contested case hearing under paragraph (a), must include the maltreatment determination and the disqualification. In such cases, a fair hearing must not be conducted under section 256.045.

(c) Rules adopted under this chapter may not preclude an employee in a contested case hearing for a disqualification from submitting evidence concerning information gathered under this chapter.

(d) When an individual has been disqualified from multiple licensed programs, if at least one of the disqualifications entitles the person to a contested case hearing under this subdivision, the scope of the contested case hearing shall include all disqualifications from licensed programs.

(e) In determining whether the disqualification should be set aside, the administrative law judge shall consider all of the characteristics that cause the individual to be disqualified, as well as all the factors set forth in section 245C.22, in order to determine whether the individual has met the burden of demonstrating that the individual does not pose a risk of harm. The administrative law judge's recommendation and the commissioner's order to set aside a disqualification that is the subject of the hearing constitutes a determination that the individual does not pose a risk of harm and that the individual may provide direct contact services in the individual program specified in the set

(f) An individual may not request a contested case hearing under this section if a contested case hearing has previously been held regarding the individual's disqualification on the same basis.

Subd. 4. Final agency order. The commissioner's final order under section 245A.08, subdivision 5, is conclusive on the issue of maltreatment and disqualification, including for purposes of subsequent background studies. The contested case hearing under this section is the only administrative appeal of the final agency determination, specifically, including a challenge to the accuracy and completeness of data under section 13.04.

M.S.A. § 245C.29

245C.29. Conclusive determinations or dispositions

Effective: May 10, 2014

Subdivision 1. Conclusive maltreatment determination or disposition. Unless otherwise specified in statute, a maltreatment determination or disposition under section 626.556 or 626.557 is conclusive, if:

(1) the commissioner has issued a final order in an appeal of that determination or disposition under section 245A.08, subdivision 5, or 256.045;

(2) the individual did not request reconsideration of the maltreatment determination or disposition under section 626.556 or 626.557; or

(3) the individual did not request a hearing of the maltreatment determination or disposition under section 256.045.

Subd. 2. Conclusive disqualification determination. (a) A disqualification is conclusive for purposes of current and future background studies if:

(1) the commissioner has issued a final order in an appeal of the disqualification under section 245A.08, subdivision 5, 245C.28, subdivision 3, or 256.045, or a court has issued a final decision;

(2) the individual did not request reconsideration of the disqualification under section 245C.21 on the basis that the information relied upon to disqualify the individual was incorrect; or

(3) the individual did not timely request a hearing on the disqualification under this chapter, chapter 14, or section 256.045 after previously being given the right to do so.

(b) When a licensing action under section 245A.05, 245A.06, or 245A.07 is based on the disqualification of an individual in connection with a license to provide family child care, foster care for children in the provider's own home, or foster care services for adults in the provider's own home, that disqualification shall be conclusive for purposes of the licensing action if a request for reconsideration was not submitted within 30 calendar days of the individual's receipt of the notice of disqualification.

(c) If a disqualification is conclusive under this section, the individual has a right to request reconsideration on the risk of harm under section 245C.21 unless the commissioner is barred from setting aside the disqualification under section 245C.24. The commissioner's decision regarding the risk of harm shall be the final agency decision and is not subject to a hearing under this chapter, chapter 14, or section 256.045.

M.S.A. § 245C.30

245C.30. Variance for a disqualified individual

Subdivision 1. License holder variance. (a) Except for any disqualification under section 245C.15, subdivision 1, when the commissioner has not set aside a background study subject's disqualification, and there are conditions under which the disqualified individual may provide direct contact services or have access to people receiving services that minimize the risk of harm to people receiving services, the commissioner may grant a time-limited variance to a license holder.

(b) The variance shall state the reason for the disqualification, the services that may be provided by the disqualified individual, and the conditions with which the license holder or applicant must comply for the variance to remain in effect.

(c) Except for programs licensed to provide family child care, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home, the variance must be requested by the license holder.

Subd. 2. Disclosure of reason for disqualification. (a) The commissioner may not grant a variance for a disqualified individual unless the applicant or license holder requests the variance and the disqualified individual provides written consent for the commissioner to disclose to the applicant or license holder the reason for the disqualification.

(b) This subdivision does not apply to programs licensed to provide family child care for children, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home. When the commissioner grants a variance for a disqualified individual in connection with a license to provide the services specified in this paragraph, the disqualified individual's consent is not required to disclose the reason for the disqualification to the license holder in the variance issued under subdivision 1.

Human Services Background Studies

Subdivision 1. Board determines disciplinary or corrective action. (a) When the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the commissioner determines that the regulated individual is responsible for substantiated maltreatment under section 626.556 or 626.557, instead of the commissioner making a decision regarding disqualification, the board shall make a determination whether to impose disciplinary or corrective action under chapter 214.

(b) This section does not apply to a background study of an individual regulated by a health-related licensing board if the individual's study is related to child foster care, adult foster care, or family child care licensure.

Subd. 2. Commissioner's notice to board. (a) The commissioner shall notify the health-related licensing board:

(1) upon completion of a background study that produces a record showing that the individual was determined to have been responsible for substantiated maltreatment;

(2) upon the commissioner's completion of an investigation that determined the individual was responsible for substantiated maltreatment; or

(3) upon receipt from another agency of a finding of substantiated maltreatment for which the individual was responsible.

(b) The commissioner's notice to the health-related licensing board shall indicate whether the commissioner would have disqualified the individual for the substantiated maltreatment if the individual were not regulated by the board.

(c) The commissioner shall concurrently send the notice under this subdivision to the individual who is the subject of the background study.

Subd. 3. Commissioner's or local agency's referral to board. (a) When the commissioner or a local agency has reason to believe that the direct contact services provided by an individual may fall within the jurisdiction of a health-related licensing board, the commissioner or local agency shall refer the matter to the board as provided in this section.

(b) If, upon review of the information provided by the commissioner, a health-related licensing board informs the commissioner that the board does not have jurisdiction to take disciplinary or corrective action, the commissioner shall make the appropriate disqualification decision regarding the individual as otherwise provided in this chapter.

The commissioner has the authority to order the immediate removal of a regulated individual from direct contact or access when a board issues an order of temporary suspension based on a determination that the regulated individual poses an immediate risk of harm to persons receiving services in a licensed facility.

(b) A facility that allows a regulated individual to provide direct contact services while not complying with the requirements imposed by the health-related licensing board is subject to action by the commissioner as specified under sections 245A.06 and 245A.07.

(c) The commissioner shall notify a health-related licensing board immediately upon receipt of knowledge of a facility's or individual's noncompliance with requirements the board placed on a facility or upon an individual regulated by the board.
