22 VAC 40-185-10. Definitions.

The following words and terms when used in this chapter shall have the following meanings unless the context clearly indicates otherwise:

“*Adult*” means any individual 18 years of age or older.

“*Age and stage appropriate*” means the curriculum, environment, equipment, and adult-child interactions are suitable for the ages of the children within a group and the individual needs of any child.

“*Age groups*”:

1. “*Infant*” means children from birth to 16 months.

2. “*Toddler*” means children from 16 months up to two years.

3. “*Preschool*” means children from two years up to the age of eligibility to attend public school, five years by September 30.

4. “*School age*” means children eligible to attend public school, age five or older by September 30 of that same year. Four- or five-year-old children included in a group of school age children may be considered school age during the summer months if the children will be entering kindergarten that year.

“*Attendance*” means the actual presence of an enrolled child.

“*Balanced mixed-age grouping*” means a program using a curriculum designed to meet the needs and interests of children in the group and is planned for children who enter the program at three through five years of age. The

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

enrollment in the balance mixed-age grouping comprises a relatively even allocation of children in each of three ages (three to six years) and is designed for children and staff to remain together with turnover planned only for the replacement of exiting students with children of ages that maintain the class balance.

“*Body fluids*” means urine, feces, saliva, blood, nasal discharge, eye discharge, and injury or tissue discharge.

“*Camp*” means a child day camp that is a child day center for school age children that operates during the summer vacation months only. Four-year-old children who will be five by September 30 of the same year may be included in a camp for school age children.

“*Center*” means a child day center.

“*Child*” means any individual under 18 years of age.

“*Child day center*” means a child day program offered to (i) two or more children under the age of 13 in a facility that is not the residence of the provider or of any of the children in care or (ii) 13 or more children at any location.

Exemptions (§ 63.2-1715 of the Code of Virginia):

1. A child day center that has obtained an exemption pursuant to § 63.2-1716 of the Code of Virginia;

2. A program where, by written policy given to and signed by a parent or guardian, children are free to enter and leave the premises without permission or supervision regardless of (i) such program’s location or the number of days per week of its operation; (ii) the provision of transportation services, including drop-off and pick-up times; or (iii) the scheduling of breaks for snacks, homework, or other activities. A program that would qualify for this exemption except that it assumes responsibility for the supervision, protection and well-being of several children with disabilities who are mainstreamed shall not be subject to licensure;

3. A program of instructional experience in a single focus, such as, but not limited to, computer science, archaeology, sport clinics, or music, if children under the age of six do not attend at all and if no child is allowed to attend for more than 25 days in any three-month period commencing with enrollment. This exemption does not apply if children merely change their enrollment to a different focus area at a site offering a variety of activities and such children’s attendance exceeds 25 days in a three-month period;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

4. Programs of instructional or recreational activities wherein no child under age six attends for more than six hours weekly with no class or activity period to exceed 1-1/2 hours, and no child six years of age or above attends for more than six hours weekly when school is in session or 12 hours weekly when school is not in session. Competition, performances and exhibitions related to the instructional or recreational activity shall be excluded when determining the hours of program operation;

5. A program that operates no more than a total of 20 program days in the course of a calendar year provided that programs serving children under age six operate no more than two consecutive weeks without a break of at least a week;

6. Instructional programs offered by public and private schools that satisfy compulsory attendance laws or the Individuals with Disabilities Education Act, as amended (20 USC § 1400 et seq.), and programs of school-sponsored extracurricular activities that are focused on single interests such as, but not limited to, music, sports, drama, civic service, or foreign language;

7. Education and care programs provided by public schools that are not exempt pursuant to subdivision 6 of this definition shall be regulated by the State Board of Education using regulations that incorporate, but may exceed, the regulations for child day centers licensed by the commissioner;

8. Early intervention programs for children eligible under Part C of the Individuals with Disabilities Education Act, as amended (20 USC § 1400 et seq.), wherein no child attends for more than a total of six hours per week;

9. Practice or competition in organized competitive sports leagues;

10. Programs of religious instruction, such as Sunday schools, vacation Bible schools, and Bar Mitzvah or Bat Mitzvah classes, and child-minding services provided to allow parents or guardians who are on site to attend religious worship or instructional services;

11. Child-minding services which are not available for more than three hours per day for any individual child offered on site in commercial or recreational establishments if the parent or guardian (i) is not an on-duty employee, except for part-time employees working less than two hours per day; (ii) can be contacted and can resume responsibility for the child's supervision within 30 minutes; and (iii) is receiving or providing services or participating in activities offered by the establishment;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

12. A certified preschool or nursery school program operated by a private school that is accredited by a statewide accrediting organization recognized by the State Board of Education or accredited by the National Association for the Education of Young Children's National Academy of Early Childhood Programs; the Association of Christian Schools International; the American Association of Christian Schools; the National Early Childhood Program Accreditation; the National Accreditation Council for Early Childhood Professional Personnel and Programs; the International Academy for Private Education; the American Montessori Society; the International Accreditation and Certification of Childhood Educators, Programs, and Trainers; or the National Accreditation Commission that complies with the provisions of § 63.2-1717 of the Code of Virginia;

13. A program of recreational activities offered by local governments, staffed by local government employees, and attended by school-age children. Such programs shall be subject to safety and supervisory standards established by local governments; or

14. By policy, a child day center that is required to be programmatically licensed by another state agency for that service

*"Child day program"* means a regularly operating service arrangement for children where, during the absence of a parent or guardian, a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of 13 for less than a 24-hour period.

Note: This does not include programs such as drop-in playgrounds or clubs for children when there is no service arrangement with the child's parent.

*"Children with special needs"* means children with developmental disabilities, mental retardation, emotional disturbance, sensory or motor impairment, or significant chronic illness who require special health surveillance or specialized programs, interventions, technologies, or facilities.

*"Cleaned"* means treated in such a way to reduce the amount of filth through the use of water with soap or detergent or the use of an abrasive cleaner on inanimate surfaces.

*"Commissioner"* means the Commissioner of the Virginia Department of Social Services.

*"Communicable disease"* means a disease caused by a microorganism (bacterium, virus, fungus, or parasite) that can be transmitted from person to person via an infected body fluid or respiratory spray, with or without an intermediary agent (such as a louse, mosquito) or environmental object (such as a table surface). Some communicable diseases are reportable to the local health authority.

*“Department”* means the Virginia Department of Social Services.

*“Department’s representative”* means an employee or designee of the Virginia Department of Social Services, acting as the authorized agent of the commissioner.

*“Evening care”* means care provided after 7 p.m. but not through the night.

*“Good character and reputation”* means knowledgeable and objective people agree that the individual (i) maintains business, professional, family, and community relationships which are characterized by honesty, fairness, and truthfulness and (ii) demonstrates a concern for the well-being of others to the extent that the individual is considered suitable to be entrusted with the care, guidance, and protection of children. Relatives by blood or marriage and people who are not knowledgeable of the individual, such as recent acquaintances, shall not be considered objective references.

*“Group of children”* means the children assigned to a staff member or team of staff members.

*“High school program completion or the equivalent”* means an individual has earned a high school diploma or General Education Development (G.E.D.) certificate, or has completed a program of home instruction equivalent to high school completion.

*“Independent contractor”* means an entity that enters into an agreement to provide specialized services or staff for a specified period of time.

*“Individual service, education or treatment plan”* means a plan identifying the child’s strengths, needs, general functioning and plan for providing services to the child. The service plan includes specific goals and objectives for services, accommodations and intervention strategies. The service, education or treatment plan clearly shows documentation and reassessment/evaluation strategies.

*“Intervention strategies”* means a plan for staff action that outlines methods, techniques, cues, programs, or tasks that enable the child to successfully complete a specific goal.

*“Licensee”* means any individual, partnership, association, public agency, or corporation to whom the license is issued.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

“*Minor injury*” means a wound or other specific damage to the body such as, but not limited to, abrasions, splinters, bites that do not break the skin, and bruises.

“*Overnight care*” means care provided after 7 p.m. and through the night.

“*Parent*” means the biological or adoptive parent or parents or legal guardian or guardians of a child enrolled in or in the process of being admitted to a center.

“*Physician*” means an individual licensed to practice medicine in any of the 50 states or the District of Columbia.

“*Physician’s designee*” means a physician, licensed nurse practitioner, licensed physician assistant, licensed nurse (R.N. or L.P.N.), or health assistant acting under the supervision of a physician.

“*Primitive camp*” means a camp where places of abode, water supply system, or permanent toilet and cooking facilities are not usually provided.

“*Programmatic experience*” means time spent working directly with children in a group that is located away from the child’s home. Work time shall be computed on the basis of full-time work experience during the period prescribed or equivalent work time over a longer period. Experience settings may include but not be limited to a child day program, family day home, child day center, boys and girls club, field placement, elementary school, or a faith-based organization.

“*Resilient surfacing*” means:

1. For indoor and outdoor use underneath and surrounding equipment, impact absorbing surfacing materials that comply with minimum safety standards when tested in accordance with the procedures described in the American Society for Testing and Materials’ standard F1292-99 as shown in Figures 2 (Compressed Loose Fill Synthetic Materials Depth Chart) and 3 (Use Zones for Equipment) on pages 6-7 of the National Program for Playground Safety’s “Selecting Playground Surface Materials: Selecting the Best Surface Material for Your Playground,” February 2004.

2. Hard surfaces such as asphalt, concrete, dirt, grass or flooring covered by carpet or gym mats do not qualify as resilient surfacing.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

“*Sanitized*” means treated in such a way to remove bacteria and viruses from inanimate surfaces through using a disinfectant solution (i.e., bleach solution or commercial chemical disinfectant) or physical agent (e.g., heat). The surface of item is sprayed or dipped into the disinfectant solution and allowed to air dry after use of the disinfectant solution.

“*Serious injury*” means a wound or other specific damage to the body such as, but not limited to, unconsciousness; broken bones; dislocation; deep cut requiring stitches; concussion; foreign object lodged in eye, nose, ear, or other body orifice.

leaders may also be referred to as child care supervisors or teachers.

3. “*Program director*” means the primary, on-site director or coordinator designated to be responsible for developing and implementing the activities and services offered to children, including the supervision, orientation, training, and scheduling of staff who work directly with children, whether or not personally performing these functions.

4. “*Administrator*” means a manager or coordinator designated to be in charge of the total operation and management of one or more centers. The administrator may be responsible for supervising the program director or, if appropriately qualified, may concurrently serve as the program director. The administrator may perform staff orientation or training or program development functions if the administrator meets the qualifications of 22 VAC 40-185-190 and a written delegation of responsibility specifies the duties of the program director.

“*Therapeutic child day program*” means a specialized program, including but not limited to therapeutic recreation programs, exclusively serving children with special needs when an individual service, education or treatment plan is developed and implemented with the goal of improving the functional abilities of the children in care.

“*Universal precautions*” means an approach to infection control. According to the concept of universal precautions, all human blood and certain human body fluids are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), and other bloodborne pathogens.

“*Volunteer*” means a person who works at the center and:

1. Is not paid;
2. Is not counted in the staff-to-children ratios; and
3. Is in sight and sound supervision of a staff member when working with a child.

Any unpaid person not meeting this definition shall be considered “staff” and shall meet staff

requirements.

22 VAC 40-185-20

**22 VAC 40-185-20. Legal base.**

A. Chapters 17 (§ 63.2-1700 et seq.) and 18 (§ 63.2-1800 et seq.) of Title 63.2 of the Code of Virginia describes the responsibility of the Department of Social Services for the regulation of residential and day programs for children, including child day centers.

B. Section 63.2-1734 of the Code of Virginia requires the State Board of Social Services to prescribe standards for certain activities, services, and facilities for child day centers.

C. Nothing in this chapter shall be construed to contradict or to negate any provisions of the Code of Virginia which may apply to child day centers.

22 VAC 40-185-30

**22 VAC 40-185-30. Purpose and applicability.**

A. The purpose of these standards is to protect children under the age of 13 who are separated from their parents during a part of the day by:

1. Ensuring that the activities, services, and facilities of centers are conducive to the well-being of children; and

2. Reducing risks in the environment.

B. The standards in this chapter apply to child day centers as defined in 22 VAC 40-185-10 serving children under the age of 13.

Pale Yellow **22 VAC 40-185-40. Operational responsibilities.**

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

A. Applications for licensure shall conform with Chapters 17 (§ 63.2-1700 et seq.) and 18 (§ 63.2-1800 et seq.) of Title 63.2 of the Code of Virginia and the regulation entitled General Procedures and Information for Licensure, 22 VAC 40-80.

B. Pursuant to §§ 63.2-1719 and 63.2-1721 and the regulation entitled Background Checks for Child Welfare Agencies, 22 VAC 40-191, the applicant and any agent at the time of application who is or will be involved in the day-to-day operations of the center or who is or will be alone with, in control of, or supervising one or more of the children, shall be of good character and reputation and shall not be guilty of an offense. Offenses are barrier crimes, conviction of any other felony not included in the definition of barrier crime unless five years have elapsed since conviction, and a founded complaint of child abuse or neglect.

C. The sponsor shall afford the commissioner or his agents the right at all reasonable times to inspect facilities and to interview his agents, employees, and any child or other person within his custody or control, provided that no private interviews may be conducted with any child without prior notice to the parent of such child.

D. The license shall be posted in a place conspicuous to the public (§ 63.2-1701 of the Code of Virginia).

E. The operational responsibilities of the licensee shall include, but not be limited to, ensuring that the center's activities, services, and facilities are maintained in compliance with these standards, the center's own policies and procedures that are required by these standards, and the terms of the current license issued by the department.

F. Every center shall ensure that any advertising is not misleading or deceptive as required by § 63.2-1713 of the Code of Virginia.

G. The center shall meet the proof of child identity and age requirements as stated in § 63.2-1809 of the Code of Virginia.

H. The sponsor shall maintain public liability insurance for bodily injury for each center site with a minimum limit of at least \$500,000 each occurrence and with a minimum limit of \$500,000 aggregate.

1. A public sponsor may have equivalent self-insurance that is in compliance with the Code of Virginia.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

2. Evidence of insurance coverage shall be made available to the department's representative upon request.

I. The center shall develop written procedures for injury prevention.

J. Injury prevention procedures shall be updated at least annually based on documentation of injuries and a review of the activities and services.

K. The center shall develop written playground safety procedures which shall include:

1. Provision for active supervision by staff to include positioning of staff in strategic locations, scanning play activities, and circulating among children; and

2. Method of maintaining resilient surface.

L. Hospital-operated centers may temporarily exceed their licensed capacity during a natural disaster or other catastrophe or emergency situation and shall develop a written plan for emergency operations, for submission to and approval by the Department of Social Services.

M. When children 13 years or older are enrolled in the program and receive supervision in the licensed program, they shall be counted in the number of children receiving care and the center shall comply with the standards for these children.

8. Chronic physical problems and pertinent developmental information and any special accommodations needed;

9. Health information as required by 22 VAC 40-185-130 through 22 VAC 40-185-150;

Exception: When a center is located on the same premises where a child attends school and the child's record has a statement verifying the school's possession of the health record, the center is not required to maintain duplicates of the school's health record for that child provided the school's records are accessible during the center's hours of operation.

10. Written agreements between the parent and the center as required by 22 VAC 40-185-90;

11. Documentation of child updates and confirmation of up-to-date information in the child's record as required by 22 VAC 40-185-420 E 3;

12. Any blanket permission slips and opt out requests;

13. Previous child day care and schools attended by the child;

14. Name of any additional programs or schools that the child is concurrently attending and the grade or class level;

15. Documentation of viewing proof of the child's identity and age; and

16. First and last dates of attendance.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

B. The proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.

**22 VAC 40-185-70**

**22 VAC 40-185-70. Staff records.**

A. The following staff records shall be kept for each staff person:

1. Name, address, verification of age requirement, job title, and date of employment or volunteering; and name, address and telephone number of a person to be notified in an emergency which shall be kept at the center.

2. For staff hired after March 1, 1996, documentation that two or more references as to character and reputation as well as competency were checked before employment or volunteering. If a reference check is taken over the phone, documentation shall include:

a. Dates of contact;

b. Names of persons contacted;

c. The firms contacted;

d. Results; and

e. Signature of person making call.

3. Background checks as required by the regulation entitled Background Checks for Licensed Child Day Centers (22 VAC 15-51).

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

4. Written information to demonstrate that the individual possesses the education, orientation training, staff development, certification, and experience required by the job position.

5. First aid, cardiopulmonary resuscitation and other certifications as required by the responsibilities held by the staff member.

6. Health information as required by 22 VAC 40-185-160 and 22 VAC 40-185-170.

7. Information, to be kept at the center, about any health problems which may interfere with fulfilling the job responsibilities.

8. Date of separation from employment.

B. Exception: Background check records for independent contractors must be kept in accordance with 22 VAC 15-51-70 of the background check regulation.

**22 VAC 40-185-80**

**22 VAC 40-185-80. Attendance records; reports.**

A. The center shall keep a written record of children in attendance each day.

B. Reports shall be filed and maintained as follows:

1. The center shall inform the commissioner's representative as soon as practicable but not to exceed one working day of the circumstances surrounding the following incidents:

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

a. Death of a child while under the center's supervision; and

b. Missing child when local authorities have been contacted for help.

2. Any suspected incident of child abuse shall be reported in accordance with § 63.2-1509 of the Code of Virginia.

**22 VAC 40-185-90**

**22 VAC 40-185-90. Parental agreements.**

A written agreement between the parent and the center shall be in each child's record by the first day of the child's attendance. The agreement shall be signed by the parent and include:

1. An authorization for emergency medical care should an emergency occur when the parent cannot be located immediately unless the parent states in writing an objection to the provision of such care on religious or other grounds;

2. A statement that the center will notify the parent when the child becomes ill and that the parent will arrange to have the child picked up as soon as possible if so requested by the center; and

3. A statement that the parent will inform the center within 24 hours or the next business day after his child or any member of the immediate household has developed any reportable communicable disease, as defined by the State Board of Health, except for life threatening diseases which must be reported immediately.

**22 VAC 40-185-100**

**22 VAC 40-185-100. Enrollment procedures of therapeutic child day programs and special needs child day programs.**

Before the child's first day of attendance, there shall be personal communication between the director, or his designee, and the parent to determine:

1. The child's level of general functioning as related to physical, affective/emotional, cognitive and social skills required for participation; and

2. Any special medical procedures needed.

**22 VAC 40-185-110**

**22 VAC 40-185-110. Individual assessment for therapeutic child day programs.**

A. An individual assessment completed within six months before the child's attendance or 30 days after the first day of attendance shall be maintained for each child.

B. An individual assessment shall be reviewed and updated for each child no less than once every 12 months.

**22 VAC 40-185-120**

**22 VAC 40-185-120. Individual service, education or treatment plan for therapeutic child day programs.**

A. An individual service, education or treatment plan:

1. Shall be developed for each child by the director or his designee and primary staff responsible for plan implementation;

2. Shall be implemented within 60 days after the first day of the child's attendance.

B. The child's individual service, education or treatment plan shall be developed, reviewed, and revised every three months and rewritten annually by the director or his designee and primary staff responsible for plan implementation. This shall be done in partnership with the parent, residential care provider or advocate.

C. A copy of the initial plan and subsequent or amended service, education or treatment plans shall be maintained in the child's record and a copy given to the child's parent.

**22 VAC 40-185-130**

**22 VAC 40-185-130. Immunizations for children.**

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

A. The center shall obtain documentation that each child has received the immunizations required by the State Board of Health before the child can attend the center.

Exemptions (subsection C of § 22.1-271.2 of the Code of Virginia and 12 VAC 5-110-110 of the Regulations for the Immunizations of School Children): Documentation of immunizations is not required for any child whose (i) parent submits an affidavit to the center, on the form entitled "Certification of Religious Exemption," stating that the administration of immunizing agents conflicts with the parent's or child's religious tenets or practices, or (ii) physician or a local health department states on a MCH 213B or MCH 213C, or other Department of Health-approved form that one or more of the required immunizations may be detrimental to the child's health.

B. The center shall obtain documentation of additional immunizations once every six months for children under the age of two years.

C. The center shall obtain documentation of additional immunizations once between each child's fourth and sixth birthdays.

**22 VAC 40-185-140**

**22 VAC 40-185-140. Physical examinations for children.**

A. Each child shall have a physical examination by or under the direction of a physician:

1. Before the child's attendance; or
2. Within one month after attendance.

B. If the child has had a physical examination prior to attendance, it shall be within the time period prescribed below:

1. Within two months prior to attendance for children six months of age and younger;
2. Within three months prior to attendance for children aged seven months through 18 months;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

3. Within six months prior to attendance for children aged 19 months through 24 months; and
4. Within 12 months prior to attendance for children two years of age through five years of age.

C. Exceptions:

1. Children transferring from a facility licensed by the Virginia Department of Social Services, certified by a local department of public welfare or social services, registered as a small family day home by the Virginia Department of Social Services or by a contract agency of the Virginia Department of Social Services, or approved by a licensed family day system:

- a. If the initial report or a copy of the initial report of immunizations is available to the admitting facility, no additional examination is required.
- b. If the initial report or a copy of the initial report is not available, a report of physical examination and immunization is required in accordance with 22 VAC 40-185-130 and this section.

2. Pursuant to subsection D of § 22.1-270 of the Code of Virginia, physical examinations are not required for any child whose parent objects on religious grounds. The parent must submit a signed statement noting that the parent objects on religious grounds and certifying that to the best of the parent's knowledge the child is in good health and free from communicable or contagious disease.

22 VAC 40-185-160. Tuberculosis screening for staff and independent contractors.

A. Each staff member and individual from an independent contractor shall submit documentation of a negative tuberculosis screening.

Documentation of the screening shall be submitted no later than 21 days after employment or volunteering and shall have been completed within 12 months prior to or 21 days after employment or volunteering.

B. Acceptable forms of documentation of tuberculosis screening are:

1. A clearance statement signed by a physician, the physician's designee or an official of the local health department. This statement shall include language that the individual does not have any current symptoms of active tuberculosis, does not have either a risk factor for acquiring tuberculosis infection or a risk factor for progression to active tuberculosis disease as defined by the local health department, or has been treated for these conditions in the past, and is currently free of tuberculosis in a communicable form. Individuals who have a risk factor for progression to active tuberculosis disease as defined by the Virginia Department of Health shall submit documentation as stated in subdivision 2 or 3 of this subsection;

2. The results of a negative tuberculin skin test (TST). The documentation shall include the date the test was given and results of the test and be signed by a physician, physician's designee or an official of the local health department.

3. The results of a chest x-ray negative for active tuberculosis disease. The documentation shall include the date of the test and location where the examination was performed.

C. At least every two years from the date of the initial screening or testing, or more frequently if recommended by a licensed physician or the local health department, staff members and individuals from independent contractors shall obtain and submit the results of a follow-up tuberculosis screening as stated in subsection B of this section.

D. Any staff member or individual from an independent contractor who develops symptoms compatible with active

D. Camps for school age children are not required to meet this space requirement. However, when weather prevents outdoor activities, the required indoor space per child shall be provided either at the program site or at a predesignated, approved location off site.

E. When children are on the outdoor play area, at least 75 square feet of space per child shall be provided at any one time.

F. Centers licensed for the care of infants and toddlers shall provide a separate playground area for these children that has at least 25 square feet of unpaved surface per infant/toddler on the outdoor area at any one time. This space may be counted as part of the 75 square feet required in subsection B of this section.

G. A separate space shall be designated for children who are ill or injured.

22 VAC 40-185-320. Restroom areas and furnishings.

A. Centers shall be provided with at least two toilets and two sinks.

B. Each restroom area provided for children shall:

1. Be within a contained area, readily available and within the building used by the children (Exception: Restrooms used by school age children at camps are not required to be located within the building);
2. Have toilets that are flushable;
3. Have sinks located near the toilets and that are supplied with running warm water that does not exceed 120°F (Exception: Camps are exempt from the requirement that running water be warm); and

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

4. Be equipped with soap, toilet paper, and disposable towels or an air dryer within reach of children.

C. For restrooms available to males, urinals shall not be substituted for more than one-half the required number of toilets.

D. An adult size toilet with privacy shall be provided for staff use. Staff toilets may be counted in the number of required toilets for children only if children are allowed unrestricted access to them.

Exception: Primitive camps are not required to have a toilet with privacy for staff.

E. Centers shall be provided with at least one toilet and one sink per 20 preschool children and at least one standard size toilet and one sink per 30 school age children. When sharing restroom areas with other programs, the children in those programs shall be included in the toilet and sink ratio calculations. The toilet and sink ratio appropriate to the younger age group shall apply.

F. When child size toilets, urinals, and low sinks are not available in restrooms used by children of preschool age and younger, one or more platforms or sets of steps shall be provided.

G. School age children of the opposite sex shall not use the same restroom at the same time.

H. A restroom used for school age children that contains more than one toilet shall have at least one toilet enclosed.

I. Restrooms used by school age children at primitive camps are not required to have:

1. Sinks, if adequate water, supplies, and equipment for hand washing are available; and

2. Flushable toilets, if the number of sanitary privies or portable toilets constructed and operated in accordance with the applicable law and regulations of the Virginia Department of Health meets the toilet ratio stated in

A. Playgrounds shall be located and designed to protect children from hazards.

B. Where playground equipment is provided, resilient surfacing shall comply with minimum safety standards when tested in accordance with the procedures described in the American Society for Testing and Materials standard F1292-99 as shown in Figures 2 (Compressed Loose Fill Synthetic Materials Depth Chart) and 3 (Use Zones for Equipment) on pages 6-7 of the National Program for Playground Safety's "Selecting Playground Surface Materials: Selecting the Best Surface Material for Your Playground," February 2004, and shall be under equipment with moving parts or climbing apparatus to create a fall zone free of hazardous obstacles. Fall zones are defined as the area underneath and surrounding equipment that requires a resilient surface. A fall zone shall encompass sufficient area to include the child's trajectory in the event of a fall while the equipment is in use. Falls zones shall not include barriers for resilient surfacing. Where steps are used for accessibility, resilient surfacing is not required.

C. Ground supports shall be covered with materials that protect children from injury.

D. Swing seats shall be constructed with flexible material.

1. Exceptions: Nonflexible molded swing seats may be used only in a separate infant or toddler play area.

2. Swings made specifically for a child with a special need shall be permitted in any area as long as a staff member is positioned to see and protect other children who might walk into the path of the swing.

E. Sandboxes with bottoms which prevent drainage shall be covered when not in use.

F. A shady area shall be provided on playgrounds during the months of June, July, and August.

22 VAC 40-185-340

22 VAC 40-185-340. Supervision of children.

A. When staff are supervising children, they shall always ensure their care, protection, and guidance.

B. During the center's hours of operation, one adult on the premises shall be in charge of the administration of the center. This person shall be either the administrator or an adult appointed by the licensee or designated by the administrator.

C. During the stated hours of operation, there always shall be on the premises and on field trips when one or more children are present one staff member who meets the qualifications of a program leader or program director and an immediately available staff member, volunteer or other employee who is at least 16 years of age, with direct means for communication between the two of them. The volunteer or other employee shall have received instruction in how to contact appropriate authorities if there is an emergency.

D. In each grouping of children at least one staff member who meets the qualifications of a program leader or program director shall be regularly present. Such a program leader shall supervise no more than two aides.

E. Exception: A program leader is not required in each grouping of children during the first and last hour of operation when a center operates more than six hours per day and during the designated rest period if the following are met: (i) there is a staff member in the group who is over 18 years of age and has at least three months of programmatic experience at the center; (ii) there is an additional staff person on site who meets program leader qualifications, is not counted in the staff-to-children ratios and is immediately available to help if needed; and (iii) there is a direct means for communicating between these two staff members.

F. Children under 10 years of age always shall be within actual sight and sound supervision of staff, except that staff need only be able to hear a child who is using the restroom provided that:

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

1. There is a system to assure that individuals who are not staff members or persons allowed to pick up a child in care do not enter the restroom area while in use by children; and

2. Staff check on a child who has not returned from the restroom after five minutes. Depending on the location and layout of the restroom, staff may need to provide intermittent sight supervision of the children in the restroom area during this five-minute period to assure the safety of children and to provide assistance to children as needed.

G. Children 10 years of age and older shall be within actual sight and sound supervision of staff except when the following requirements are met:

1. Staff can hear or see the children (video equipment, intercom systems, or other technological devices shall not substitute for staff being able to directly see or hear children);

2. Staff are nearby so they can provide immediate intervention if needed;

3. There is a system to ensure that staff know where the children are and what they are doing;

4. There is a system to ensure that individuals who are not staff members or persons allowed to pick up children in care do not enter the areas where children are not under sight supervision; and

5. Staff provide sight and sound supervision of the children at variable and unpredictable intervals not to exceed 15 minutes.

H. When the outdoor activity area is not adjacent to the center, there shall be at least two staff members on the outdoor activity area whenever one or more children are present.

I. Staff shall greet each child upon arrival at the center and oversee each child's departure from the center.

J. Staff shall not allow a child to leave the center unsupervised.

**22 VAC 40-185-350**

**22 VAC 40-185-350. Staff-to-children ratio requirements.**

A. Staff shall be counted in the required staff-to-children ratios only when they are directly supervising children.

B. A child volunteer 13 years of age or older not enrolled in the program shall not be counted as a child in the staff-to-children ratio requirements.

C. When children are regularly in ongoing mixed age groups, the staff-to-children ratio applicable to the youngest child in the group shall apply to the entire group.

D. During the designated rest period and the designated sleep period of evening and overnight care programs, the ratio of staff to children may be double the number of children to each staff required by subdivisions E 2 through 4 and 7 of this section if:

1. A staff person is within sight and sound of the resting/sleeping children;
2. Staff counted in the overall rest period ratio are within the building and available to ensure safe evacuation in an emergency; and
3. An additional person is present at the center to help, if necessary.

E. The following ratios of staff to children are required wherever children are in care:

1. For children from birth to the age of 16 months: one staff member for every four children;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

2. For children 16 months old to two years: one staff member for every five children;
3. For two-year-old children: one staff member for every eight children effective June 1, 2006;
4. For children from three years to the age of eligibility to attend public school, five years by September 30: one staff member for every 10 children effective June 1, 2006;
5. For children from age of eligibility to attend public school through eight years, one staff member for every 18 children; and
6. For children from nine years through 12 years, one staff member for every 20 children effective June 1, 2006.
7. Notwithstanding subdivisions 4 and 5 of this subsection and subsection C of this section, the ratio for balanced mixed-age groupings of children shall be one staff member for every 14 children, provided:
  - a. If the program leader has an extended absence, there shall be sufficient substitute staff to meet a ratio of one staff member for every 12 children.
  - b. The center shall have readily accessible and in close classroom proximity auxiliary persons sufficient to maintain a 1:10 adult-to-child ratio for all three-year-olds who are included in balanced mixed-age groups to be available in the event of emergencies.
  - c. The program leader has received training in classroom management of balanced mixed-age groupings of at least eight hours.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

F. With a parent's written permission and a written assessment by the program director and program leader, a center may choose to assign a child to a different age group if such age group is more appropriate for the child's developmental level and the staff-to-children ratio shall be for the established age group.

1. If such developmental placement is made for a child with a special need, a written assessment by a recognized agency or professional shall be required at least annually. These assignments are intended to be a permanent new group and staff members for the child.

2. A center may temporarily reassign a child from his regular group and staff members for reasons of administrative necessity but not casually or repeatedly disrupt a child's schedule and attachment to his staff members and group.

G. For therapeutic child day programs, in each grouping of children of preschool age or younger, the following ratios of staff to children are required according to the special needs of the children in care:

1. For children with severe and profound disabilities, multiple special needs, serious medical need, or serious emotional disturbance: one staff member to three children.

2. For children diagnosed as trainable mentally retarded (TMR), or with physical and sensory disabilities, or with autism: one staff member to four children.

3. For children diagnosed as educable mentally retarded (EMR) or developmentally delayed or diagnosed with attention deficit/hyperactivity disorder (AD/HD): one staff member to five children.

4. For children diagnosed with specific learning disabilities: one staff member to six children.

5. When children with varied special needs are regularly in ongoing groups, the staff-to-children ratio applicable to the child with the most significant special need in the group shall apply to the entire group.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

6. Note: Whenever 22 VAC 40-185-350 E requires more staff than 22 VAC 40-185-350 G because of the children's ages, 22 VAC 40-185-350 E shall take precedence over 22 VAC 40-185-350 G.

H. For therapeutic child day programs, in each grouping of school age children, the following ratios of staff to children are required according to the special needs of the children in care:

1. For children with severe and profound disabilities, autism, multiple special needs, serious medical need, or serious emotional disturbance: one staff member to four children.

2. For children diagnosed as trainable mentally retarded (TMR), or with physical and sensory disabilities; attention deficit/hyperactivity disorder (AD/HD), or other health impairments: one staff member to five children.

3. For children diagnosed as educable mentally retarded (EMR), or developmentally delayed: one staff member to six children.

4. For children diagnosed with specific learning disabilities, or speech or language impairments: one staff member to eight children.

5. When children with varied special needs are regularly in ongoing groups, the staff-to-children ratio applicable to the child with the most significant special need in the group shall apply to the entire group.

22 VAC 40-185-370. Daily activities for infants.

There shall be a flexible daily schedule for infants based on their individual needs. During the day, infants shall be provided with:

1. Sleep as needed.

a. When an infant is placed in his crib, he shall be placed on his back (supine).

b. When an infant is able to easily turn over from the back (supine) to the belly (prone) position and he is placed in his crib, he shall still be put on his back (supine) but allowed to adopt whatever position he prefers. This applies unless otherwise directed by the infant's physician in writing.

c. If the side position is used, caregivers shall bring the dependent arm forward to lessen the likelihood of the infant rolling into a belly (prone) position.

d. Resting or sleeping infants shall be individually checked every 15-20 minutes.

e. An infant who falls asleep in a play space specified in subdivision 5 a of this section may remain in that space if comfortable and safe.

2. Food as specified in 22 VAC 40-185-560 and 22 VAC 40-185-570.

3. Outdoor time if weather and air quality allow based upon the Air Quality Color Code Chart as provided by the Department of Environmental Quality.

4. Comfort as needed.

5. Play spaces.

a. Play spaces may include, but are not limited to, cribs, infant seats, play yards, exercise chairs or saucers (but not walkers), infant swings, high chairs, and floor space.

b. The variety of play spaces shall cumulatively offer:

(1) Room for extensive movement (rolling, crawling, or walking) and exploration;

(2) A diversity of sensory and perceptual experiences; and

(3) Equipment and toys that support large and small motor development.

c. Staff shall provide frequent opportunities for infants to creep, crawl, toddle and walk.

d. Infants shall be protected from older children.

e. Staff shall provide awake infants not playing on the floor or ground a change in play space at least every 30 minutes or more often as determined by the individual infant's needs.

f. Staff shall change the position of an awake infant playing on the floor or ground and the selection of toys available to the infant every 30 minutes or more often as determined by the individual infant's needs.

g. Infants, who cannot turn themselves over and are awake, shall be placed on their stomachs a total of 30 minutes each day to facilitate upper body strength and to address misshapen head concerns.

6. Stimulation and language development activities, including but not limited to staff reading, talking to, showing pictures to, naming objects for, playing with and engaging in positive interactions (such as smiling, cuddling, and making eye contact) with infants.

#### 22 VAC 40-185-380. Daily activities for toddlers and preschoolers.

A. There shall be a posted daily schedule that allows for flexibility as children's needs require. The daily schedule need not apply on days occupied a majority of the time by a field trip or other special event. The daily schedule shall include opportunities for:

1. Outdoor activity, weather and air quality allowing, for at least:

a. Fifteen minutes per day or session if the center operates up to three hours per day or session;

b. Thirty minutes per day or session if the center operates between three and five hours per day or session;  
or

c. One hour per day or session if the center operates more than five hours per day or session.

2. Sleep or rest.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

a. Centers operating five or more hours per day shall have a designated rest period for at least one hour but no more than two hours.

(1) Cribs, cots, beds, or mats shall be used.

(2) After the first 30 minutes, children not sleeping may engage in quiet activities.

b. A child who falls asleep in a place other than his designated sleeping location may remain in that space if comfortable and safe.

c. Sleeping toddlers shall be individually checked every 30 minutes.

3. Meals and snacks as specified in 22 VAC 40-185-560 and 22 VAC 40-185-570.

4. Small and large motor activities, language and communication experiences, sensory experiences, art or music activities, and play acting or social living.

B. Staff shall encourage language development by having conversations with children that give them time to initiate and respond, by labeling and describing objects and events, having storytelling time and by expanding the children's vocabulary.

22 VAC 40-185-390

22 VAC 40-185-390. Daily activities for school age children.

A. Before or after school, the center shall provide an opportunity for children to do homework or projects or hobbies in a suitable area. In the afternoon, there shall be an opportunity for large motor activities at least 25% of the time.

B. On nonschool days, the daily activity shall include opportunities for large motor activities at least 25% of the time; small motor activities; projects, hobbies, or homework in a suitable place; art or music activities; outdoor activity in accordance with 22 VAC 40-185-380 A 1 and food as specified in 22 VAC 40-185-560 and 22 VAC 40-185-570.

Exception: Specialty camps are not required to meet the requirements of this subsection.

22 VAC 40-185-400

22 VAC 40-185-400. Behavioral guidance.

A. In order to promote the child's physical, intellectual, emotional, and social well-being and growth, staff shall interact with the child and one another to provide needed help, comfort, support and:

1. Respect personal privacy;
2. Respect differences in cultural, ethnic, and family backgrounds;
3. Encourage decision-making abilities;
4. Promote ways of getting along;
5. Encourage independence and self-direction; and
6. Use consistency in applying expectations.

B. Behavioral guidance shall be constructive in nature, age and stage appropriate, and shall be intended to redirect children to appropriate behavior and resolve conflicts.

2. Operating information, including the hours and days of operation and holidays or other times closed, and the phone number where a message can be given to staff;

3. The center's transportation policy;

4. The center's policies for the arrival and departure of children, including procedures for verifying that only persons authorized by the parent are allowed to pick up the child, picking up children after closing, when a child is not picked up for emergency situations including but not limited to inclement weather or natural disasters;

5. The center's policy regarding any medication or medical procedures that will be given;

6. The center's policy regarding application of:

a. Sunscreen;

b. Diaper ointment or cream; and

c. Insect repellent.

7. Description of established lines of authority for staff;

8. Policy for reporting suspected child abuse as required by § 63.2-1509 of the Code of Virginia;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

9. The custodial parent's right to be admitted to the center as required by § 63.2-1813 of the Code of Virginia;

10. Policy for communicating an emergency situation with parents;

11. The appropriate general daily schedule for the age of the enrolling child;

12. Food policies;

13. Discipline policies including acceptable and unacceptable discipline measures; and

14. Termination policies.

B. Staff shall promptly inform parents when persistent behavioral problems are identified; such notification shall include any disciplinary steps taken in response.

C. A custodial parent shall be admitted to any child day program. Such right of admission shall apply only while the child is in the child day program (§ 63.2-1813 of the Code of Virginia).

D. The center shall provide opportunities for parental involvement in center activities.

**E. Communication.**

1. For each infant, the center shall post a daily record which can be easily accessed by both the parent and the staff working with the child. The record shall contain the following information:

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

- a. The amount of time the infant slept;
  - b. The amount of food consumed and the time;
  - c. A description and time of bowel movements;
  - d. Developmental milestones; and
  - e. For infants, who are awake and cannot turn over by themselves, the amount of time spent on their stomachs.
2. If asked by parents, staff shall provide feedback about daily activities, physical well-being, and developmental milestones.
  3. Parents shall be provided at least semiannually in writing information on their child's development, behavior, adjustment, and needs.
    - a. Staff shall provide at least semiannual scheduled opportunities for parents to provide feedback on their children and the center's program.
    - b. Staff shall request at least annually parent confirmation that the required information in the child's record is up to date.
    - c. Such sharing of information shall be documented.
    - d. Short-term programs (as defined in 22 VAC 40-185-10) are exempt from this requirement.

4. Parents shall be informed of reasons for termination of services.

A. Furnishings, equipment, and materials shall be of an appropriate size for the child using it.

B. Materials and equipment available shall be age and stage appropriate for the children and shall include an adequate supply as appropriate for each age group of arts and crafts materials, texture materials, construction materials, music and sound materials, books, social living equipment, and manipulative equipment.

C. Play equipment used by children shall meet the following requirements:

1. Openings above the ground or floor which allow a 3-1/2 inch by 6-1/4 inch rectangle to fit through shall also allow a nine-inch circle to fit through;

2. S-hooks where provided may not be open more than the thickness of a penny; and

3. Have no protrusions, sharp points, shearing points, or pinch points.

D. The unenclosed climbing portion of slides and climbing equipment used by toddlers and preschool children shall not be more than seven feet high and must be located over resilient surfacing where outdoors, and shall not be more than five feet high where indoors.

E. Centers may not install after June 1, 2005, any slide or climbing equipment to be used by preschoolers or toddlers when the climbing portion of the equipment is more than six feet in height.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

F. The climbing portions of indoor slides and climbing equipment over 18 inches shall not be over bare flooring.

G. The climbing portions of indoor slides and climbing equipment 36 inches or more shall be located over a resilient surface.

H. Trampolines may not be used.

EXCEPTION: The requirements of subsections A through H of this section shall not prohibit child day programs providing care for school-age children at a location that is currently approved by the Department of Education or recognized as a private school by the State Board of Education for school occupancy and that houses a public or private school during the school year from permitting school-age children to use outdoor play equipment and areas approved for use by students of the school during school hours.

I. If combs, toothbrushes, or other personal articles are used, they shall be individually assigned.

J. Disposable products shall be used once and discarded.

K. Provision shall be made for an individual place for each child's personal belongings.

L. Infant walkers shall not be used.

M. Play yards where used shall:

1. Meet the Juvenile Products Manufacturers Association (JPMA) and the American Society for Testing and Materials (ASTM) requirements and shall retain the manufacturer's label documenting product compliance with current safety standards at the time they were manufactured;

2. Not be used after recalled;

open on three edges. Cribs when being used by infants shall have a bottom cover.

B. Linens shall be assigned for individual use.

C. Linens shall be clean and washed at least weekly.

1. Crib sheets shall be clean and washed daily.

2. When centers wash the linens, the water shall be above 140°F or the dryer shall heat the linens above 140°F as verified by the manufacturer or a sanitizer shall be used according to the manufacturer's instructions.

D. Pillows when used shall be assigned for individual use and covered with pillow cases.

E. Mattresses when used shall be covered with a waterproof material which can be cleaned and sanitized.

**22 VAC 40-185-460**

**22 VAC 40-185-460. Swimming and wading activities; staff and supervision.**

A. The staff-to-children ratios required by 22 VAC 40-185-350 E, G, and H shall be maintained while children are participating in swimming or wading activities.

1. Notwithstanding the staff-to-children ratios already indicated, at no time shall there be fewer than two staff members supervising the activity.

2. The designated certified lifeguard shall not be counted in the staff-to-children ratios.

B. If a pool, lake, or other swimming area has a water depth of more than two feet, a certified lifeguard holding a

current certificate shall be on duty supervising the children participating in swimming or wading activities at all times when one or more children are in the water.

C. The lifeguard certification shall be obtained from an organization such as, but not limited to, the American Red Cross, the YMCA, or the Boy Scouts.

22 VAC 40-185-470

22 VAC 40-185-470. Pools and equipment.

A. When permanent swimming or wading pools are located on the premises of the center, the following shall apply:

1. The manufacturer's specifications for operating the pool shall be followed as well as any local ordinances and any Department of Health requirements for swimming pools;

2. Pools constructed, renovated, or remodeled after April 1, 1986, shall have a statement in writing of their inspection and approval from the local building official when such approval is required;

3. Outdoor swimming pools shall be enclosed by safety fences and gates which are in compliance with the applicable edition of the Virginia USBC (13 VAC 5-62) and shall be kept locked when the pool is not in use;

4. Entrances to indoor swimming pools shall be locked when the pool is not in use; and

5. A whistle or other audible signaling device, a buoy or a lemon line, a reach pole, and a backboard shall be available at the swimming or wading site.

B. If children are allowed to swim in a lake or other place other than a pool, safe swimming areas shall be clearly marked and there shall be appropriate water safety equipment.

C. Piers, floats, and platforms shall be in good repair and where used for diving, the minimum water depth shall be stated on the deck or planking.

D. If portable wading pools without integral filter systems are used, they shall be emptied after the use of each group of children, rinsed, and filled with clean water, or more frequently as necessary.

E. Children who are not toilet trained may not use portable wading pools.

F. After each day's use, portable wading pools shall be emptied, sanitized, and stored in a position to keep them clean and dry.

**22 VAC 40-185-480**

**22 VAC 40-185-480. Swimming and wading; general.**

A. The center shall have emergency procedures and written safety rules for swimming or wading or follow the posted rules of public pools that are:

1. Posted in the swimming area when the pool is located on the premises of the center; and

2. Explained to children participating in swimming or wading activities.

B. The center shall maintain (i) written permission from the parent of each child who participates in swimming or wading and (ii) a statement from the parent advising of a child's swimming skills before the child is allowed in water above the child's shoulder height.

C. Staff shall have a system for accounting for all children in the water.

D. Outdoor swimming activities shall occur only during daylight hours unless underwater and deck lighting is provided.

22 VAC 40-185-490

22 VAC 40-185-490. Preventing the spread of disease.

A. A child shall not be allowed to attend the center for the day if he has:

1. A temperature over 101°F;
2. Recurrent vomiting or diarrhea; or
3. A communicable disease.

B. If a child needs to be excluded according to subsection A of this section, the following shall apply:

1. Arrangements shall be made for the child to leave the center as soon as possible after the signs or symptoms are noticed; and
2. The child shall remain in the designated quiet area until leaving the center.

C. When children at the center have been exposed to a communicable disease listed in the Department of Health's current communicable disease chart, the parents shall be notified within 24 hours or the next business day of the center's having been informed unless forbidden by law, except for life threatening diseases, which must be reported to parents immediately.

D. The center shall consult the local department of health if there is a question about the communicability of a disease.

E. When any surface has been contaminated with body fluids, it shall be cleaned and sanitized.

22 VAC 40-185-500

22 VAC 40-185-500. Hand washing and toileting procedures.

A. Hand washing.

1. Children's hands shall be washed with soap and running water or disposable wipes before and after eating meals or snacks.

2. Children's hands shall be washed with soap and running water after toileting and any contact with blood, feces or urine.

3. Staff shall wash their hands with soap and running water before and after helping a child use the toilet or a diaper change, after the staff member uses the toilet, after any contact with body fluids, and before feeding or helping children with feeding.

4. Exception: If running water is not available, a germicidal cleansing agent administered per manufacturer's instruction may be used.

B. Diapering; soiled clothing.

1. The diapering area shall be accessible and within the building used by children.

2. There shall be sight and sound supervision for all children when a child is being diapered.

3. The diapering area shall be provided with the following:

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

- a. A sink with running warm water not to exceed 120°F;
  - b. Soap, disposable towels and single use gloves such as surgical or examination gloves;
  - c. A nonabsorbent surface for diapering or changing shall be used. For children younger than three years, this surface shall be a changing table or countertop designated for changing;
  - d. The appropriate disposal container as required by subdivision 5 of this subsection; and
  - e. A leakproof covered receptacle for soiled linens.
4. When a child's clothing or diaper becomes wet or soiled, the child shall be cleaned and changed immediately.
5. Disposable diapers shall be used unless the child's skin reacts adversely to disposable diapers.
6. Disposable diapers shall be disposed in a leakproof or plastic-lined storage system that is either foot-operated or used in such a way that neither the staff member's hand nor the soiled diaper touches an exterior surface of the storage system during disposal.
7. When cloth diapers are used, a separate leakproof storage system as specified in this subdivision shall be used.
8. The diapering surface shall be used only for diapering or cleaning children, and it shall be cleaned with soap and at least room temperature water and sanitized after each use. Tables used for children's activities or meals shall not be used for changing diapers.

Exception: Individual disposable barriers may be used between each diaper change. If the changing surface

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

becomes soiled, the surface shall be cleaned and sanitized before another child is diapered.

9. Staff shall ensure the immediate safety of a child during diapering.

C. Toilet training. For every 10 children in the process of being toilet trained, there shall be at least one toilet chair or one child-sized toilet, or at least one adult sized toilet with a platform or steps and adapter seat.

1. The location of these items shall allow for sight and sound supervision of children in the classroom if necessary for the required staff-to-children ratios to be maintained.

2. Toilet chairs shall be emptied promptly and cleaned and sanitized after each use.

22 VAC 40-185-510

22 VAC 40-185-510. Medication.

A. Prescription and nonprescription medication shall be given to a child:

1. According to the center's written medication policies; and

2. Only with written authorization from the parent.

B. Nonprescription medication shall be administered by a staff member or independent contractor who meets the requirements in 22 VAC 40-185-240 D 1 or 3.

C. The center's procedures for administering medication shall:

1. Include any general restrictions of the center.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

2. For nonprescription medication, be consistent with the manufacturer's instructions for age, duration and dosage.

3. Include duration of the parent's authorization for medication, provided that it shall expire or be renewed after 10 work days. Long-term prescription drug use and over-the-counter medication may be allowed with written authorization from the child's physician and parent.

4. Include methods to prevent use of outdated medication.

D. The medication authorization shall be available to staff during the entire time it is effective.

E. Medication shall be labeled with the child's name, the name of the medication, the dosage amount, and the time or times to be given.

F. Nonprescription medication shall be in the original container with the direction label attached.

G. The center may administer prescription medication that would normally be administered by a parent or guardian to a child provided:

1. The medication is administered by a staff member or an independent contractor who meets the requirements in 22 VAC 40-185-240 D 1;

2. The center has obtained written authorization from a parent or guardian;

3. The center administers only those drugs that were dispensed from a pharmacy and maintained in the original, labeled container; and

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

4. The center administers drugs only to the child identified on the prescription label in accordance with the prescriber's instructions pertaining to dosage, frequency, and manner of administration.

H. When needed, medication shall be refrigerated.

I. When medication is stored in a refrigerator used for food, the medications shall be stored together in a container or in a clearly defined area away from food.

J. Medication, except for those prescriptions designated otherwise by written physician's order, including refrigerated medication and staff's personal medication, shall be kept in a locked place using a safe locking method that prevents access by children.

K. If a key is used, the key shall not be accessible to the children.

L. Centers shall keep a record of medication given children, which shall include the following:

1. Child to whom medication was administered;
2. Amount and type of medication administered to the child;
3. The day and time the medication was administered to the child;
4. Staff member administering the medication;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

5. Any adverse reactions; and

6. Any medication error.

M. Staff shall inform parents immediately of any adverse reactions to medication administered and any medication error.

N. When an authorization for medication expires, the parent shall be notified that the medication needs to be picked up within 14 days or the parent must renew the authorization. Medications that are not picked up by the parent within 14 days will be disposed of by the center by either dissolving the medication down the sink or flushing it down the toilet.

22 VAC 40-185-520

**22 VAC 40-185-520. Over-the-counter skin products.**

A. All nonprescription drugs and over-the-counter skin products shall be used in accordance with the manufacturer's recommendations. Nonprescription drugs and over-the-counter skin products shall not be kept or used beyond the expiration date of the product.

**B. If sunscreen is used, the following requirements shall be met:**

1. Written parent authorization noting any known adverse reactions shall be obtained;

2. Sunscreen shall be in the original container and labeled with the child's name;

3. Sunscreen does not need to be kept locked but shall be inaccessible to children under five years of age or those children in a therapeutic child day program or special needs child day program;

4. Any center-kept sunscreen shall be hypo-allergenic and have a minimum SPF of 15;

5. Staff members without medication administration training may apply sunscreen, unless it is prescription sunscreen, in which case the storing and application of sunscreen must meet medication-related requirements; and

6. Children nine years of age and older may administer their own sunscreen if supervised.

C. If diaper ointment or cream is used, the following requirements shall be met:

1. Written parent authorization noting any known adverse reactions shall be obtained;

2. These products shall be in the original container and labeled with the child's name;

3. These products do not need to be kept locked but shall be inaccessible to children;

4. A record shall be kept that includes the child's name, date of use, frequency of application and any adverse reactions; and

5. Staff members without medication administration training may apply diaper ointment, unless it is prescription diaper ointment, in which case the storing and application of diaper ointment must meet medication-related requirements.

D. If insect repellent is used, the following requirements shall be met:

1. Written parent authorization noting any known adverse reactions shall be obtained;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

2. Insect repellent shall be in the original container and labeled with the child's name;
3. Insect repellent does not need to be kept locked but shall be inaccessible to children;
4. A record shall be kept that includes the child's name, date of use, frequency of application and any adverse reactions;
5. Manufacturer's instructions for age, duration and dosage shall be followed; and
6. Staff members without medication administration training may apply insect repellent, unless it is prescription insect repellent, in which case the storing and application of insect repellent must meet medication-related requirements.

**22 VAC 40-185-530**

**22 VAC 40-185-530. First aid training, cardiopulmonary resuscitation (CPR) and rescue breathing.**

A. There shall be at least one staff member trained in first aid, cardiopulmonary resuscitation, and rescue breathing as appropriate to the age of the children in care who is on the premises during the center's hours of operation and also one person on field trips and wherever children are in care.

1. This person shall be available to children; and
2. This person shall have current certification by the American Red Cross, American Heart Association, National Safety Council, or other designated program approved by the Department of Social Services.

B. Primitive camps shall have a staff member on the premises during the hours of operation who has at least current certification in first responder training.

7. Thermometer;
8. Triangular bandages;
9. Single use gloves such as surgical or examination gloves; and
10. The first aid instructional manual.

D. The following emergency supplies shall be required at the center and be available on field trips:

1. Activated charcoal preparation (to be used only on the direction of a physician or the center's local poison control center); and
2. An ice pack or cooling agent.

E. The following nonmedical emergency supplies shall be required:

1. One working, battery-operated flashlight on each floor of each building that is used by children; and
2. One working, battery-operated radio in each building used by children and any camp location without a

building.

22 VAC 40-185-550

22 VAC 40-185-550. Procedures for emergencies.

A. The center shall have an emergency preparedness plan that addresses staff responsibility and facility readiness with respect to emergency evacuation and shelter-in-place. The plan, which shall be developed in consultation with local or state authorities, addresses the most likely to occur emergency scenario or scenarios, including but not limited to natural disaster, chemical spills, intruder, and terrorism specific to the locality.

B. The emergency preparedness plan shall contain procedural components for:

1. Sounding of alarms (intruder, shelter-in-place such as for tornado, or chemical hazard);

2. Emergency communication to include:

a. Establishment of center emergency officer and back-up officer to include 24-hour contact telephone number for each;

b. Notification of local authorities (fire and rescue, law enforcement, emergency medical services, poison control, health department, etc.), parents, and local media; and

c. Availability and primary use of communication tools;

3. Evacuation to include:

a. Assembly points, head counts, primary and secondary means of egress, and complete evacuation of the

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

buildings;

b. Securing of essential documents (sign-in record, parent contact information, etc.) and special healthcare supplies to be carried off-site on immediate notice; and

c. Method of communication after the evacuation;

4. Shelter-in-place to include:

a. Scenario applicability, inside assembly points, head counts, primary and secondary means of access and egress;

b. Securing essential documents (sign-in records, parent contact information, etc.) and special health supplies to be carried into the designated assembly points; and

c. Method of communication after the shelter-in-place;

5. Facility containment procedures, (e.g., closing of fire doors or other barriers) and shelter-in-place scenario (e.g., intruders, tornado, or chemical spills);

6. Staff training requirement, drill frequency, and plan review and update; and

7. Other special procedures developed with local authorities.

C. Emergency evacuation and shelter-in-place procedures/maps shall be posted in a location conspicuous to staff and children on each floor of each building.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

D. The center shall implement a monthly practice evacuation drill and a minimum of two shelter-in-place practice drills per year for the most likely to occur scenarios.

E. The center shall maintain a record of the dates of the practice drills for one year. For centers offering multiple shifts, the simulated drills shall be divided evenly among the various shifts.

F. A 911 or local dial number for police, fire and emergency medical services and the number of the regional poison control center shall be posted in a visible place at each telephone.

G. Each camp location shall have an emergency preparedness plan and warning system.

H. The center shall prepare a document containing local emergency contact information, potential shelters, hospitals, evacuation routes, etc., that pertain to each site frequently visited or of routes frequently driven by center staff for center business (such as field trips, pick-up/drop off of children to or from schools, etc.). This document must be kept in vehicles that centers use to transport children to and from the center.

I. Parents shall be informed of the center's emergency preparedness plan.

J. Based on local authorities and documented normal ambulance operation, if an ambulance service is not readily accessible within 10 to 15 minutes, other transportation shall be available for use in case of emergency.

K. The center or other appropriate official shall notify the parent immediately if a child is lost, requires emergency medical treatment or sustains a serious injury.

L. The center shall notify the parent by the end of the day of any known minor injuries.

M. The center shall maintain a written record of children's serious and minor injuries in which entries are made the

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

day of occurrence. The record shall include the following:

1. Date and time of injury;
2. Name of injured child;
3. Type and circumstance of the injury;
4. Staff present and treatment;
5. Date and time when parents were notified;
6. Any future action to prevent recurrence of the injury;
7. Staff and parent signatures or two staff signatures; and
8. Documentation on how parent was notified.

**22 VAC 40-185-560**

**22 VAC 40-185-560. Nutrition and food services.**

**A. Centers shall schedule appropriate times for snacks or meals, or both, based on the hours of operation and time of the day (e.g., a center open only for after school care shall schedule an afternoon snack; a center open from 7 a.m. to 1 p.m. shall schedule a morning snack and midday meal).**

**B. The center shall ensure that children arriving from a half-day, morning program who have not yet eaten lunch receive a lunch.**

C. The center shall schedule snacks or meals so there is a period of at least 1-1/2 hours but no more than three hours between each meal or snack unless there is a scheduled rest or sleep period for children between the meals and snacks.

D. Drinking water or other beverage not containing caffeine shall be offered at regular intervals to nonverbal children.

E. In environments of 80°F or above, attention shall be given to the fluid needs of children at regular intervals. Children in such environments shall be encouraged to drink fluids as outlined in subsection D of this section.

F. When centers choose to provide meals or snacks, the following shall apply:

1. Centers shall follow the most recent, age-appropriate nutritional requirements of a recognized authority such as the Child and Adult Care Food Program of the United States Department of Agriculture (USDA).

2. Children shall be allowed second helpings of food listed in the USDA's child and adult care meal patterns.

3. Centers offering both meals and snacks shall serve a variety of nutritious foods and shall serve at least three sources of vitamin A and at least three sources of vitamin C on various days each week.

4. Children three years of age or younger may not be offered foods that are considered to be potential choking hazards.

5. A menu listing foods to be served for meals and snacks during the current one-week period shall:

a. Be dated;

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

b. Be posted in a location conspicuous to parents or given to parents;

c. List any substituted food; and

d. Be kept on file for one week at the center.

6. Powdered milk shall not be used except for cooking.

G. When food is brought from home, the following shall apply:

1. The food container shall be sealed and clearly dated and labeled in a way that identifies the owner;

2. The center shall have extra food or shall have provisions to obtain food to serve to children so they can have an appropriate snack or meal if they forget to bring food from home, bring an inadequate meal or snack, or bring perishable food; and

3. Unused portions of opened food shall be discarded by the end of the day or returned to the parent.

H. If a catering service is used, it shall be approved by the local health department.

I. Food shall be prepared, stored, and transported in a clean and sanitary manner.

J. Contaminated or spoiled food shall not be served to children.

K. Tables and high chair trays shall be:

1. Sanitized before and after each use for feeding; and

2. Cleaned at least daily.

L. Children shall be encouraged to feed themselves.

M. Staff shall sit with children during meal times.

N. No child shall be allowed to drink or eat while walking around.

22 VAC 40-185-570. Special feeding needs.

A. High chairs, infant carrier seats, or feeding tables shall be used for children under 12 months who are not held while being fed.

1. Children using infant seats or high chairs shall be supervised during snacks and meals.

2. When a child is placed in an infant seat or high chair, the protective belt shall be fastened securely.

B. Bottle fed infants who cannot hold their own bottles shall be held when fed. Bottles shall not be propped or used

while the child is in his designated sleeping location.

C. The record of each child on formula shall contain:

1. The brand of formula; and

2. The child's feeding schedule.

D. Infants shall be fed on demand or in accordance with parental instructions.

E. Prepared infant formula shall be refrigerated, dated and labeled with the child's name.

F. Heated formula and baby food shall be stirred or shaken and tested for temperature before serving to children.

G. Milk, formula or breast milk shall not be heated or warmed directly in a microwave. Note: Water for warming milk, formula, or breast milk may be heated in a microwave.

H. Prepared baby food not consumed during that feeding by an infant may be used by that same infant later in the same day, provided that the food is not served out of the baby jar and is dated and stored in the refrigerator; otherwise, it shall be discarded or returned to the parent at the end of the day. Formula or breast milk shall not remain unrefrigerated for more than two hours and may not be reheated.

I. A one-day's emergency supply of disposable bottles, nipples, and commercial formulas appropriate for the children in care shall be maintained at the center.

J. Breastfeeding shall be permitted.

Green

K. Staff shall feed semisolid food with a spoon unless written instructions from a physician or physician's designee state differently.

L. For therapeutic child day programs and special needs child day programs, the consistency of food shall be appropriate to a child's special feeding needs. Necessary and adaptive feeding equipment and feeding techniques shall be used for children with special feeding needs.

22 VAC 40-185-580

22 VAC 40-185-580. Transportation and field trips.

A. If the center provides transportation, the center shall be responsible from the time the child boards the vehicle until returned to the parents or person designated by the parent.

B. Any vehicle used by the center for the transportation of children shall meet the following requirements:

1. The vehicle shall be manufactured for the purpose of transporting people seated in an enclosed area;
2. The vehicle's seats shall be attached to the floor;
3. The vehicle shall be insured with at least the minimum limits established by Virginia state statutes;
4. The vehicle shall meet the safety standards set by the Department of Motor Vehicles and shall be kept in satisfactory condition to assure the safety of children; and
5. If volunteers supply personal vehicles, the center is responsible for ensuring that the requirements of this subsection are met.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

C. The center shall ensure that during transportation of children:

1. Virginia state statutes about safety belts and child restraints are followed and stated maximum number of passengers in a given vehicle shall not be exceeded;
2. The children remain seated and each child's arms, legs, and head remain inside the vehicle;
3. Doors are closed properly and locked unless locks were not installed by the manufacturer of the vehicle;
4. At least one staff member or the driver always remains in the vehicle when children are present;
5. The following information is in transportation vehicles:
  - a. Emergency numbers as specified in 22 VAC 40-185-550 F and H;
  - b. The center's name, address, and phone number; and
  - c. A list of the names of the children being transported.

D. When entering and leaving vehicles, children shall enter and leave the vehicle from the curb side of the vehicle or in a protected parking area or driveway.

E. Children shall cross streets at corners or crosswalks or other designated safe crossing point if no corner or crosswalk is available.

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

F. The staff-to-children ratios of 22 VAC 40-185-350 E, G, and H shall be followed on all field trips. The staff-to-children ratios need not be followed during transportation of school age children to and from the center. One staff member or adult is necessary in addition to the driver when 16 or more preschool or younger children are being transported in the vehicle.

G. The center shall make provisions for providing children on field trips with adequate food and water.

H. If perishable food is taken on field trips, the food shall be stored in insulated containers with ice packs to keep the food cold.

I. Before leaving on a field trip, a schedule of the trip's events and locations shall be posted and visible at the center site.

J. There shall be a communication plan between center staff and staff who are transporting children or on a field trip.

K. Staff shall verify that all children have been removed from the vehicle at the conclusion of any trip.

L. Parental permission for transportation and field trips shall be secured before the scheduled activity.

M. If a blanket permission is used instead of a separate written permission, the following shall apply:

1. Parents shall be notified of the field trip; and
2. Parents shall be given the opportunity to withdraw their children from the field trip.

**22 VAC 40-185-590**

**22 VAC 40-185-590. Transportation for nonambulatory children.**

Virginia Administrative Code \_Title 22. Social Services \_Vac Agency No. 40. Department of Social Services \_Chapter 185. Standards for Licensed Child Day Centers

A. For therapeutic child day programs and special needs child day programs providing transportation, nonambulatory children shall be transported in a vehicle which is equipped with a ramp or hydraulic lift to allow entry and exit.

B. Wheelchairs shall be equipped with restraining devices and shall be securely fastened to the floor when used to seat children in a vehicle.

C. Arrangements of wheelchairs in a vehicle shall not impede access to exits.

D. For therapeutic child day programs and special needs child day programs, when the center is responsible for providing transportation, the center shall develop a plan based on the needs of the children in care to assure their safe supervision during on-loading, off-loading and transporting.

E. When 16 or more children are being transported, there shall be at least one center aide or adult besides the driver, for each group of 16.

F. For therapeutic child day programs and special needs child day programs, if a child has a known seizure disorder or neurological, genetic or physiological disability causing increased medical risk and that child is being transported, one center aide or adult who is not the driver and who is trained in CPR shall be present in the vehicle.
