If the application is considered incomplete by the department, the department shall notify the applicant in writing or make notice electronically available within 30 days after receipt of the incomplete application, describing the deficiency and requesting additional information. This subsection does not affect the time period within which an on-site visit to a family child care home shall be made. If the department identifies a deficiency or requires the fulfillment of a corrective action plan, the 6-month period is tolled until either of the following occurs:
- (a) Upon notification by the department of a deficiency, until the date the requested information is received by the department.
 - (b) Upon notification by the department that a corrective action plan is required, until the date the department determines the requirements of the corrective action plan have been met.
- (10) The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility on an applicant determined otherwise ineligible for issuance of a license.
- (11) Except as provided in subsection (1) and section 5b, if the department fails to issue or deny a license or registration to a child care center, group child care home, or family child care home within the time required by this section, the department shall return the license or registration fee and shall reduce the license or registration fee for

the applicant's next renewal application, if any, by 15%. Failure to issue or deny a license to a child care center, group child care home, or family child care home within the time period required under this section does not allow the department to otherwise delay the processing of the application. A completed application shall be placed in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of an application based on the fact that the application fee was refunded or discounted under this subsection.

(12) If, on a continual basis, inspections performed by a local health department delay the department in issuing or denying licenses or registrations for child care centers, group day care homes,³ and family child care homes under this act within the 6- month period, the department may use department staff to complete the inspections instead of the local health department causing the delays.

(13) The department director shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with human services and children's issues. The department director shall include in the report all of the following information regarding applications for licenses and registrations only for child care centers, group child care homes, and family child care homes filed under this act during the preceding fiscal year:

(e) The average processing time for initial and renewal licenses and registrations granted after the 6-month period.

(14) Except as provided in section 5c(8),⁴ the department shall not issue to or renew the license of a child care organization under this act without requesting a criminal history check and criminal records check as required by section 5c. If a criminal history check or criminal records check performed under section 5c or information obtained as a result of notification from the department of state police under section 5k⁵ reveals that an applicant for a license under this act has been convicted of a listed offense, the department shall not issue a license to that applicant. If a criminal history check or criminal records check performed under section 5c or information obtained as a result of notification from the department of state police under section 5k reveals that an applicant for renewal of a license under this act has been convicted of a listed offense, the department shall not renew that license. If a criminal history check or criminal records check performed under section 5c or information obtained as a result of notification from the department of state police under section 5k reveals that a current licensee has been convicted of a listed offense, the department shall revoke the license of that licensee.

(15) Except as provided in section 5f(13),⁶ the department shall not issue or renew a certificate of registration to a family child care home or a license to a group child care home under this act without requesting a criminal history check and criminal records check as required by sections 5f and 5g.⁷ If a criminal history check or criminal records check performed under section 5f or 5g or information obtained as a result of notification from the department of state police under section 5k reveals that an applicant for a certificate of registration or license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not issue a certificate of registration or license to that applicant. If a criminal history check or criminal records

check performed under section 5f or 5g or information obtained as a result of notification from the department of state police under section 5k reveals that an applicant for renewal of a certificate of registration or license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not renew a certificate of registration or license to that applicant. If a criminal history check or criminal records check performed under section 5f or 5g or information obtained as a result of notification from the department of state police under section 5k reveals that a current registrant or licensee under this act or a person over 18 years of age residing in that registrant's or licensee's home has been convicted of a listed offense, the department shall revoke that registrant's certificate of registration or licensee's license.

(16) Except as provided in section 5h(7),⁸ the department shall not issue or renew a license to operate a foster family home or foster family group home under this act without requesting a criminal history check and criminal records check as required by sections 5h and 5j.⁹ If a criminal history check or criminal records check performed under section 5h or 5j or information obtained as a result of notification from the department of state police under section 5k reveals that an applicant for a license to operate a foster family home or foster family group home under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not issue a license to that applicant. If a criminal history check or criminal records check performed under section 5h or 5j or information obtained as a result of notification from the department of state police under section 5k reveals that an applicant for renewal of a license to operate a foster family home or foster family group home under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not renew a license to that applicant. If a criminal history check or criminal records check performed under section 5h or 5j or information obtained as a result of notification from the department of state police under section 5k reveals that a current licensee under this act of a foster family home or foster family group home or a person over 18 years of age residing in that licensee's foster family home or foster family group home has been convicted of a listed offense, the department shall revoke that licensee's license.

modification of license to provisional status**

Effective: May 27, 2010

(2) The department may deny, revoke, or refuse to renew a license or certificate of registration of a child care organization when the licensee, registrant, or applicant falsifies information on the application or willfully and substantially violates this act, the rules promulgated under this act, or the terms of the license or certificate of registration. The department may modify to a provisional status a license of a child care organization when the licensee willfully and substantially violates this act, the rules promulgated under this act, or the terms of the license. A license or a certificate of registration shall not be revoked, a renewal of a license or certificate of registration shall not be refused, an application for a license or a certificate of registration shall not be denied, or a regular license shall not be modified to a provisional status unless the licensee, registrant, or applicant is given notice in writing of the grounds of the proposed revocation, denial, modification, or refusal. The department director shall resolve the issues of the complaint within 45 days after the receipt of the complaint. Notice of the resolution of the issues shall be mailed by certified mail to the complainant and the licensee. Failure of the department director to resolve the issues of the complaint within 45 days after receipt of the complaint shall serve as a decision by the director to suspend, deny, or revoke the organization's license. If the decision to suspend, deny, or revoke the license or the resolution of the issues is protested by written objection of the complainant or licensee to the department director within 30 days after the suspension, denial, or revocation of the license or the receipt of the notice of resolution, the department director or a designated representative of the director shall conduct a hearing pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24. 328, at which the

 - (v) The order of the court finalizing the adoption.
- (3) The department of social services shall distribute blank public information forms to adoption facilitators, courts, and other interested individuals and organizations.
- (4) Beginning on July 1, 1995, the department of social services shall accept from the probate court of each county and maintain in a central clearinghouse completed public information forms for each adoption completed in this state. Upon the request of an individual seeking information about adoption facilitators serving a particular county or counties, the department shall send the individual a list of all adoption facilitators serving that county or those counties, the number of adoptions each person facilitated in the county or counties during the preceding 12 months, and the fees the department charges for transmitting copies of public information forms. Upon the individual's request for public information forms for a particular adoption facilitator or facilitators and payment of the required fees, the department shall send the individual copies of the nonconfidential portions of the public information forms completed by that adoption facilitator or those adoption facilitators during the preceding 12 months. If the number of adoptions facilitated by a particular adoption facilitator in a particular county or counties is insufficient to protect the confidentiality of the participants in an adoption, the department shall send the nonconfidential portions of additional public information forms for adoptions facilitated by that adoption facilitator in earlier years or in other counties. The additional forms required to protect confidentiality shall be sent without charge to the individual requesting the information.
- (5) If the department receives public information forms completed by a probate register containing only the primary adoption facilitator's name and confidential information, the department shall send the nonconfidential portion of those public information forms completed by the probate register in response to an individual's request for public information forms for that adoption facilitator.

(6) The department may charge a fee for transmitting public information forms to individuals requesting them. The fee shall be sufficient to reimburse the department for the costs of copying, postage or facsimile, and labor.
